Recycling has changed in Ontario

Toronto's recycling program is managed by Circular Materials. For recycling inquiries, including missed collection and bin service requests, please call **1-888-921-2686** or visit **circularmaterials.ca/toronto**.

Visit **toronto.ca/311** or call **311** to
- report a missed collection of garbage, organics and yard waste
- order, exchange or request a repair for a Garbage Bin or Green Bin.

Type of Collection

Bin Collection

Bag Collection

The property owner selects **bin** or **bag collection**.

It is the responsibility of the property owner to provide residents with sufficient containers for garbage, recycling and organic waste or buy sufficient City of Toronto Garbage Tags*, if only using bags for garbage.

Green Bin Organics

- Do NOT put items in loose.
- You must line your kitchen catcher or outdoor Green Bin. Do not line both.
- Use any plastic or paper bag for either container. Compostable bags are not necessary.
- The handle of the bin must be set in the locked position.

Garbage Collection

*Garbage Tags can be purchased at **toronto.ca/solidwastestore**. Tags never expire.

GARBAGE BIN

- All garbage must fit in a City-issued Garbage Bin with the lid closed.
- If you have excess garbage, you must put it in a regular-sized black bag and affix a Garbage Tag*.

GARBAGE BAGS

- Each regular-sized garbage bag (66 cm x 91 cm) must be affixed with a Garbage Tag* that is visible.
- Each bag cannot weigh more than 20 kg (44 lb).
- Wrap sharp edges of broken glass with thick or multi-layered material (e.g., cardboard, fabric) before placing in the bag. If it doesn't fit in the bag, place it beside the bag.
- Do not put liquids in your garbage.

To find out what goes where, visit: **toronto.ca/wastewizard** or contact **311**.

For information on **yard waste** visit: **toronto.ca/YardWaste**.

Oversized Items

Items that will not fit in a garbage bag or your Garbage Bin, even when empty, are considered oversized (e.g. furniture, appliances, carpeting). Oversized items can be set out 0.5 m (2 ft) from your Garbage Bin or garbage bag on your collection day without a Garbage Tag* or an appointment. Visit **toronto.ca/oversized**.

Electronic Waste

Electronic waste can be left 0.5 m (2 ft) away from your waste bins/bags for pickup on collection day. Place large items (e.g. TV) on the ground and small items (e.g. phone) in a clear plastic bag or open cardboard box. Visit **toronto.ca/ewaste**.

Household Hazardous Waste (HHW)

Items such as batteries, cooking oil, medications, propane tanks, syringes/needles and paint are HHW and are not collected at the curb. For additional HHW items and proper disposal options, visit **toronto.ca/hhw**.

Items not accepted at curbside or Drop-Off Depots

Dead animals, rocks, sand, gravel, bricks, concrete, cinder blocks, paving stones, asphalt, ammunition, asbestos, etc. **Contact a private company to arrange for proper disposal of these items.**
