Make a splash, get fit and have fun!

Swimming is a great way to maintain lifelong fitness and wellness. It is also a great way to stay cool in the summer and keep active in the winter. We offer a wide range of high quality and affordable instructional programs including learn to swim, training to be a lifeguard, developmental leadership skills and, water sports.

Integration Services may be requested if an individual requires assistance to participate in recreation programs. Refer to the Adapted and Inclusive Recreation section or visit toronto.ca/accessibility.

If you can't go, let us know!

If you are unable to attend the program you registered for, contact your local community centre or call 416-396-7378 so the spot can be offered to someone else.

General Information

Change Room Age Requirements

Children seven years of age or older are required to use the change room designated for their gender. If these accommodations do not work for you, please speak to facility staff to make alternate arrangements.

Swimming Attire

When using the pool, all swimmers must change from street clothes to a swim suit and/or clean clothing used for swimming only. Clothing worn in the pool must permit individuals to participate safely in programs.

For swimmers who are not toilet-trained, we recommend wearing specially designed swim diapers or pants. Cotton diapers are only permitted if snug fitting pants or swim suit are worn to cover the diaper. Ordinary disposable diapers are not permitted.

Gender Specific Swim Programs

When participating in gender specific swim programs (women or men only), people of the same gender will be permitted to access the pool deck, spectator gallery or viewing areas.

Note the following exceptions:

- Caregivers/parents who are participating in a program (e.g., guardian, leisure swim) can bring child(ren) 0-7 years old of either gender to gender-specific programming.
- Children 0-7 years old of either gender will be allowed in the spectator designated areas, where available and when appropriate supervision by a guardian of the appropriate gender is present.

Important Notice – Serious Medical Conditions

Those with serious medical conditions should be accompanied by an individual knowledgeable of their condition and responsible for their direct supervision. Individuals are advised to consult a medical doctor before swimming.

Admittance/Supervision Requirements for Children

To ensure that children have a safe and enjoyable swimming experience, the City of Toronto uses a wristband procedure. This procedure allows staff to identify children at greater risk of accidents and ensure adequate supervision when in the pool area. All children under 10 years of age will be given an identifying wristband. To determine requirements and identifying wristband colour, refer to the following chart:

5 years and under	Always accompanied*	2:1 ratio	Pink wrist band
6 years	Always accompanied*	4:1 ratio	Orange wrist band

- Child may obtain a GREEN wristband (in addition to orange) to access deep end. To obtain GREEN wristband child must complete the facility swim test.
- Child must still be accompanied* at all times.

7-9 years	Accompanied* OR pass facility swim test	4:1 ratio	Orange wrist band Green wrist band

- If child passes swim test, the ORANGE wristband is removed and replaced with a GREEN wristband, allowing child unsupervised access.
- Accompaniment requirement: caregiver to be within arm's reach until such a time that a 7-9 year old successfully completes the facility test.

10 years+	No supervision required

- Child will be required to do facility swim test and obtain a GREEN wristband to access deep end of pool.

***Accompanied:** Must be accompanied by a caregiver who is at least 14 years of age and is responsible for their direct supervision. Caregiver must be in bathing attire and within arm's reach of the child(ren) at all times, both in and out of the water. Child to caregiver ratios may be increased if approved personal floatation devices (PFD) are used.

Admittance Requirements for Day Camps and Groups

All groups should make arrangements with the pool prior to their arrival. Before entering the facility, groups must sign in with facility staff. Group caregiver(s) are entirely responsible for the supervision of their group at all times.

Leisure Swim

Leisure/Lane Swim

Leisure Swim – Offered free of charge to participants of all ages and abilities in accordance with the admittance and supervision requirements.

Family Leisure Swim – Swim program is free of charge for families to enjoy the pool together, in accordance with the admittance and supervision requirements.

Lane (Distance) Swim – A dedicated swim program for endurance and fitness swimming for participants 7 years or older who are able to swim lanes/circuits in accordance with directions prescribed at the facility. Participants 7 to 9 years of age will be required to complete the Facility Swim Test.

Indoor Pool Lane (Distance) Swim Fees

Length	Child and Youth	Adult	Older Adult
Single Drop-in *Older Adults swim free if attending Older Adult Swim	$2	$4	*$2
10 Visit Punch Card	$19.50	$39	$19.50
20 Visit Punch Card	$34	$68	$34

Instructional Swimming

We offer a full range of learn to swim, lifesaving, water sports and leadership programs for participants of all ages and abilities. When you enroll in a Toronto Learn to Swim program, you will enjoy the benefits of highly trained and friendly instructors, excellent learning aids and progress reports.

Programs vary by district, location and session.

Other information

Pool Fouling and Closures

On occasion, pools close due to pool fouling. Health regulations require that pools be closed anywhere from one to 24 hours depending on the nature of the fouling. The pool will reopen once the water chemistry is balanced and affected equipment is disinfected.

If a pool fouling occurs during instructional lessons, the City of Toronto will provide a dry land lesson or a make-up class. If these options are not possible, a credit will be issued as applicable.

Help keep our pools clean! Please try to eat a minimum of two hours before swimming or after swimming.

Tiny Tots (1-5 years)

Children in Tiny Tots progress through the Learn to Swim skills at their own pace. Lessons are private (one participant per instructor) and 15 minutes in length. There are no prerequisites. The parent or guardian is not required to go into the water with the child.

Guardian Swim (6 months to 5 years)

The Guardian Swim program is a three level progressive program which provides children with support from their parent or caregiver an introduction to the aquatic environment and to basic swimming skills. The program is designed to promote comfort and safety in the water for the caregiver and child.

One parent or guardian must actively participate in the water at all times with the child. As this is a progressive program, children should be registered into the appropriate level based on skill, not age. The Guardian Swim program is best run with a one to one, guardian to child ratio. Parents and guardians may request accommodation for twins and children close in age, following registration, by contacting staff at their program location. Accommodation will be made in manageable situations, where safety is not a concern.

Guardian Swim 1

- Introduction to entries and exits, submersion and breath control, and basic floats with assistance.

Guardian Swim 2

- Introduction to front glides and back glides
- Development of front float, back float, and surface support.

Guardian Swim 3

- Introduction to front swim with basic arm action, jump into water with personal flotation device
- Development of all skills unassisted.

Preschool Swim (3-5 years)

The Preschool Swim program is a four level progressive program. This may be the first opportunity for a child to participate in a swim program without their caregiver. It may also be their first swimming experience.

Preschool Swim 1 – Penguin

- Introduction to entries and exits, submersion and breath control, and basic floats with assistance.

Preschool Swim 2 – Stingray

- Development of entries, exits, bobs and floats without assistance
- Introduction to front swim
- Continuous swim of 3m.

Preschool Swim 3 - Otter

- Development of front swim and back swim
- Introduction to side glides, sculling, and deep water
- Continuous swim of 5m.

Preschool Swim 4 - Dolphin

- Development of front swim, back swim, and side kick
- Jump into deep water
- Continuous swim of 10m.

Ultra Swim (5-16 years)

- Ultra 1 through 5 - 30 minutes
- Ultra 6 and 7 - 45 minutes
- Ultra 8 and 9 - 60 minutes

Ultra Level 1

- Introduction to entries and exits, submersion and breath control, and basic floats with assistance.

Ultra Level 2

- Introduction to deep water, surface support, side glides, and kicking

- Continuous swim of 5m.

Ultra Level 3

- Introduction to front crawl, diving, and back swim
- Development of surface support, side glides, and kicking
- Continuous swim of 10m.

Ultra Level 4

- Introduction to side breathing, whip-kick, and forward somersault
- Development of front crawl and treading water
- Continuous swim of 25m.

Ultra Level 5

- Introduction to back crawl, eggbeater kick, and elementary backstroke arms
- Development of front dive, forward roll, front crawl
- Continuous swim of 75m.

Ultra Level 6

- Introduction to stride entries, surface dives, breaststroke, and interval training
- Development of front crawl, back crawl, elementary backstroke, and eggbeater
- Continuous swim of 150m.

Ultra Level 7

- Introduction to shallow dive into deep water, clothed treading water
- Development of surface dives, eggbeater, front crawl, back crawl, elementary backstroke, and breaststroke
- Continuous swim of 200m.

Ultra Level 8

- Development of strokes and skills
- Continuous swim of 300m.

Ultra Level 9

- Development of strokes and skills
- Continuous swim of 400m.

Ultra Youth Swim (9-16 years)

Ultra Youth 1

- Introduction of front and back swim, front, side and back glides, submersion and breath control and surface support in deep water
- Continuous swim of 25-50m.

Ultra Youth 2

- Introduction of stride entry, eggbeater, surface dives, breaststroke
- Development of front crawl, back crawl, elementary backstroke, surface support
- Continuous swim of 50-100m.

Ultra Youth 3

- Development of strokes and skills
- Continuous swim of 100-300m.

Adult 3/Older Adult 3

- Development of strokes and skills
- Continuous swim of 100-300m.

Other Swim Programs

Programs vary by district, location and session.

Adapted Swim Lessons

This learn to swim program will encourage individuals with special needs to increase their comfort level in the water and promote aquatic skill development. Refer to the Adapted and Inclusive Recreation Programs section for more information.

Adult Swim Fit

The philosophy of this course is to promote and encourage fitness through the sport of swimming, to improve the swimming level of participants through stroke improvement, distance and interval drills. Due the nature of practices, it is required that adults (17 years+) are able to swim two lengths of the pool (50m) continuously. This program may be run in deep water.

Aquatic Leadership

Have you thought about becoming a lifeguard or swim instructor?. Refer to the program charts or pick-up a copy of the Leadership Guide, available at your local pool or online at toronto.ca/aquaticleadership for programs and information.

Challenge

The Challenge program is a three level program that teaches participants competitive skills and provides them with an opportunity to improve fitness and endurance. The levels are Bronze, Silver and Gold.

The program runs once a week and participants are challenged to improve their times and skills. There are no swim meets for the Challenge program.

SPLASH Swim Team

SPLASH Swim Team is a recreational competitive swim program. Participants are encouraged to expand their swimming skills by practicing their strokes in a team based environment and showcasing their skills in a competitive setting during swim meets. Each team will have two practices a week for 8 to 9 weeks, that provide stroke improvement, competition and promotes fun. Swimmers compete according to the year they were born, not necessarily by their age at the time.

Stroke Improvement

The Child Stroke Improvement program provides participants from Ultra 5 and up an opportunity to work on the components of front crawl, back crawl, elementary backstroke and breaststroke.

The Adult Stroke Improvement program provides participants an opportunity to improve strokes and fitness under the guidance of an instructor.

Synchronized Swim

This program combines swimming, dance and gymnastics in the water. Learn the basic skills and create individual and team routines. No prior experience required. Prerequisite: Ultra 4

Waterpolo

Offers swimmers the opportunity to build skills and confidence. Players will be introduced to ball handling, swimming and strategies necessary to the sport. In learning these skills, endurance and appreciation for teamwork are also acquired. This sport is ideal for energetic, competent swimmers.

Prerequisite: Ultra 6, must be comfortable to swim extended periods. This program is offered in deep water.

Volunteer Opportunities

Aquatic programs volunteer opportunities include:

- Swim Meet Support
- In-Water Program Support
- Special Event Support
- Victim Simulation in Aquatic Trainings

Keeping cool... a day at the beach

Toronto beaches are perfect for taking a swim during the hot summer. Some swimming beaches are Blue Flag beaches. The Blue Flag is flown at beaches that meet high standards for water quality, environmental management, environmental education, and safety.

Beach locations: Bluffer's Beach, Cherry/Clarke Beach, Kew-Balmy Beach, Marie Curtis Park East Beach, Rouge Beach, Sunnyside Beach, Woodbine Beach
On Toronto Island: Centre Island, Gibraltar Point, Hanlan's Point, Ward's Island

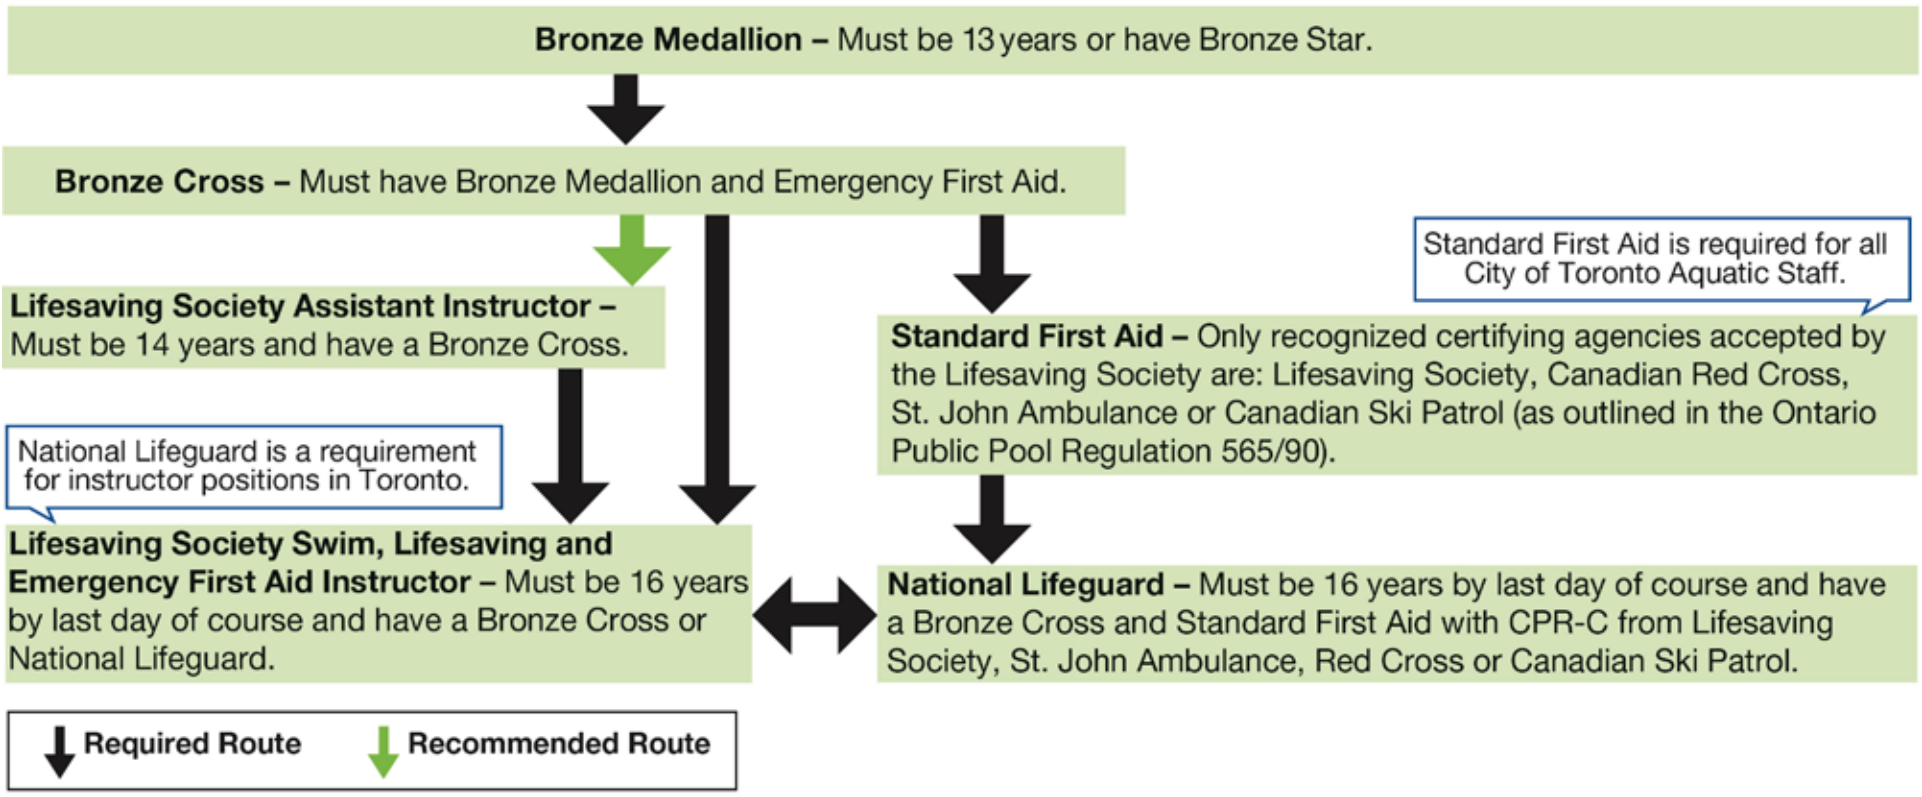
Pre-Lifeguard Programs

Become a Lifeguard and Swim Instructor with the City of Toronto



Patrol Program

Rookie Patrol (9 years+)
Prerequisite: Ultra 8
Components include: timed 100-metre swims, 350-metre workouts and swims with clothes. Develops swimming strength and efficiency with emphasis on personal responsibility for Water Smart behaviour.

Ranger Patrol (9 years+)
Prerequisite: Ultra 9
Components include: timed 200-metre swims, 100-metre fitness medley and support/carry a five-pound weight. Content is challenging but achievable with effort. Drills improve rescue abilities in the water.

Star Patrol (9 years+)
Prerequisite: Ultra 9
Components include: timed 300-metre swims, 600-metre workouts, lifeguard whistle signals, and airway and bleeding first aid priorities. Demands good physical conditioning and lifesaving judgement.

Junior Lifeguard

Junior Lifeguard Club (8 years+)
Prerequisite: Children must be able to swim two lengths of the pool comfortably.

This program offers a unique aquatic alternative for children who love the water and want more than just “lessons” or wish to complement the skills they are learning in swimming lessons or swim team.

Bronze Program

The following are official training certifications of the Lifesaving Society – Canada’s lifeguarding experts.

Bronze Star and Basic First Aid
Bronze Star is an excellent preparation course for success in Bronze Medallion. Participants develop problem solving and decision making skills individually and with a partner. Candidates will develop Water Smart confidence and the lifesaving skills needed to be their own personal lifesaver. Basic first aid teaches one-rescuer adult CPR, obstructed airway response and how to contact Emergency Medical Services.

Bronze Medallion and Emergency First Aid
Prerequisite: Bronze Star or minimum 13 years old

Candidates that have Bronze Star and are under 13 years of age can register for this course by calling 416-396-7378 or attend an in-person registration site on priority registration days (see page 5 for locations). Online registration is not available for this age group.

Bronze Medallion develops physical fitness, decision making and judgement skills in preparation for challenging rescues of increased risk. Lifesavers must demonstrate stroke efficiency and endurance in a timed swim. Candidates must be able to complete a 500-metre swim in 15 minutes or less by the course exam date.

Bronze Cross
Prerequisite: Bronze Medallion and Emergency First Aid
This course is designed for lifesavers who want the challenge of more advanced training including an introduction to safe supervision in aquatic facilities. Bronze Cross teaches the difference between lifesaving and lifeguarding, the principles of emergency procedures, teamwork, and use of special equipment. Candidates must be able to complete a 600-metre swim in 18 minutes or less by the course exam date. Bronze Cross is one of the prerequisites for National Lifeguard (NL) and Lifesaving Society Instructors.

Please note: Bronze Cross courses appearing in the FUN Guide do not include Standard First Aid Certification. Standard First Aid remains a prerequisite for the National Lifeguard certification program. Candidates registering for Bronze Cross courses offered in the FUN Guide will be required to complete a Standard First Aid course prior to registering for National Lifeguard.

If you are interested in taking a combined Bronze Cross and Standard First Aid course or following the next steps in the aquatic continuum, refer to the Leadership Guide available online at toronto.ca/aquaticleadership or from most local community centres.

Aquafit

Aquafit aids in the development of cardiovascular and respiratory fitness, while providing multiple benefits toward achieving greater overall health. Aquafit enables participants to work at their own pace and ability level as part of the group. Proper bathing attire is required. All classes are co-ed unless otherwise indicated. Participants are advised to consult a doctor before enrolling in any aquafit program.

Aquafit
A water workout that includes cardio, muscle conditioning, flexibility and strength building exercises.

Aquafit: Arthritis
This workout is designed for people with arthritis and focuses on improving range of motion through muscle conditioning, flexibility and strength building exercises.

Aquafit: Caregiver and Tot/Toddler
A shallow water Aquafit class that caregivers bring their 6 to 18 month old babies with them to participate. The babies may participate in the class while sitting in floating boats that are provided by the facility.

Aquafit: Deep
A deep water workout that includes cardio, muscle conditioning, flexibility and strength building that uses belts or noodles to assist with performance during the class. Participants must be comfortable in deep water and be able to complete the facility swim test.

Aquafit: Gentle
A gentle, slower paced workout that focuses on improving range of motion, flexibility and strength through a variety of exercises.

Aquafit: Mind Body
This program provides a variety of balanced moves using Pilates, Tai Chi, Yoga and other mindful movements.

Aquafit: Pre/Post Natal
A workout designed for women who are pre or post-delivery that includes cardio, muscle conditioning, flexibility and strength building exercises.

Aquafit: Running
This program is designed for individuals interested in running, those who are already runners, the injured athlete and/or individuals who would like a safe, effective running program in a low to no-impact environment.

Aquafit: Shallow
A shallow water workout that includes cardio, muscle conditioning, flexibility and strength building exercises.

Aquafit: Sports Conditioning
A boot camp style class for athletes interested in enhancing sports performance and injury prevention. This program is designed to maximize your cardiovascular health, and strengthen your core. The program may be in the shallow or deep water.

Aquafit: Women
A water workout that includes cardio, muscle conditioning, flexibility and strength building exercises in a women only environment.

The City of Toronto's Welcome Policy helps individuals and families with low income who live in Toronto access City-operated recreation programs. If you are approved for Welcome Policy, you will receive an annual financial credit that can be spent on any recreation program offered by the City throughout the year.

Toronto residents who are approved for Welcome Policy will receive the following annual credit: **Children** and **youth (0-24 years old):** $571
Adults and **older adults (25 years and older):** $264

Note: the credit amount are subject to Council approval, are effective for one year, and are adjusted to align with inflationary increases in program fees.
