Re:	**Significant Event Designation**

Dear Council members,

On June 9th and 10th, 2012 from 10 a.m. – 11 p.m., the St. Lawrence Market Neighbourhood Business Improvement Area will be hosting a festival called Woofstock. Woofstock is a free admission, festive, entertainment and consumer show with more than 120 companies offering the latest in every conceivable doggie indulgence, spanning the gamut from artistic to zany – everything that a cool canine would need to live well in this dog-eat-dog world. Last year, over 140,000 dog lovers and their canine companions came together last summer for the largest outdoor festival for dogs. We are hoping that it can grow even more in the coming years in the St. Lawrence Market Neighbourhood BIA. For more information please see www.woofstock.ca.

The festival has already been designated an event of municipal significance. We wish to add two more participating restaurants to the list. The geographic area for street closures will be on Front between Jarvis and Church Street and Front between Church and Yonge Street including part of the Church/Front street intersection, Market Street, Scott Street from Wellington to the Esplanade, Church Street from The Esplanade to Colborne Street, The Esplanade, just west of Church, and Wellington, from Church to Yonge St., and we hope to extend the patios of our participating restaurant merchants in order to serve food and beverages during the event. Please forward this request to the community council for their and your approval.

We will be applying to the Alcohol Commission for Temporary Patio Extension Permits for participating BIA restaurants. Restaurants include:

Jack Astors Restaurant,	**73A Front St. East**
Habaneros	**52 Wellington Street E.**

The application will be made in April/May 2012 and the BIA participants have been confirmed. The help of your office in guiding our request through City Hall would be appreciated.

Thanking you in advance,

Al Smith
