RE: Pecaut Square

Dear Mayor Ford:

We are writing in response to your request for approval to rename the park space adjacent to Roy Thomson Hall and forming part of our property at 225 King St. West comprising MetroCentre "Pecaut Square".

We are supportive of renaming the park space Pecaut Square or some similar variation of that name that is acceptable to both of us. We would, however, like to emphasize that our approval is subject to the caveat that renaming the park space must in no way constrain our ability to enhance the site and/or adjacent properties in the future.

We will work with you to determine appropriate signage for Pecaut Square in order to ensure that naming the park space does not create confusion with the MetroCentre or Metro Hall name applicable to the broader development on our properties.

We look forward to working with your team to finalize the details for this initiative and I am 100% confident there will be no issues in translating this concept into reality.

Yours truly,

E.M. Blake Hutcheson
