Subject: Regarding repeal of the zoning by-law

Dear Ms. Marilyn Toft,

I am writing to you on behalf of N.B.S Design Build Inc. a custom home building company working in GTA and a member of the Building Industry and Land Development Association (BILD). I want to express our full support for the PGM committee's decision at its March 24th meeting to repeal the new by-law. There are many concerns in regards to transportation matters, transition, minor variance, and the proposed new amendments that need to be addressed. I hope that the council votes in favor of the committee's decision on the April 12 meeting.

Sincerely,

Ali Ahmadi
President
N.B.S Design Build Inc.
