3. City Council authorize the removal of the 1 hour maximum parking regulation on both sides of Broadview Avenue, between Fairview Boulevard and Simpson Avenue, and between Dundas Street East and Eastern Avenue; and

4. City Council authorize the City Solicitor to introduce the necessary bills to amend Toronto Municipal Code Chapter 925, Permit Parking and Chapter 400, Traffic and Parking accordingly.

Summary

In adopting Item TE2.11 at its meeting of December 16, 2010 City Council authorized the removal of the overnight on-street permit parking program on Broadview Avenue, between Fairview Boulevard and Simpson Avenue and between Dundas Street East and Eastern Avenue.

Area residents have since requested that overnight on-street permit parking not be entirely removed and that the overnight on-street permit parking hours be adjusted from the current 12:01 a.m. to 7:00 a.m., 7 days a week to 3:00 a.m. to 7:00 a.m., 7 days a week. Residents have

also requested that the 1 hour maximum parking regulation be changed to 3 hours. This will allow residents with on-street parking permits the ability to continue to park on Broadview Ave and also allow visitors to park during non-permit parking hours, without being subject to tagging by Parking Enforcement.

For Council's information, Broadview Avenue, between Fairview Boulevard and Simpson Avenue and between Dundas Street East and Eastern Avenue is a TTC route, therefore Community Council does not have the delegated authority to deal with this matter. City Council must make the final decision.
