CITY COUNCILLOR
WARD 9 • DAVENPORT

CHAIR, ECONOMIC & COMMUNITY
DEVELOPMENT COMMITTEE

January 14, 2026

RE: Overview of existing services available to French speaking Torontonians

Regarding Item 12 on the TFAAC workplan, "Overview of existing services available to French speaking Torontonians", I have received the following information:

- At its meeting on October 17, 2024, the TFAAC requested that staff explore the feasibility of creating an inventory of City-delivery services in French.
- Staff reported back with a feasibility and time estimate at the TFAAC meeting on February 13, 2025. The item was discussed at the April 8, 2025 meeting of the Economic and Community Development Committee (ECDC) and noted at the TFAAC meeting of July 11, 2025.
- The direction from ECDC was for EDC to "consider including the creation of an inventory of City-delivered services in French in the Toronto Francophone Affairs Advisory Committee's 2026 work plan, given current priorities regarding the US tariff response-related work".
- Following cross-divisional discussion, EDC has determined that this work can be carried out within its Strategic Policy and Management Services (SPMS) section.
- EDC will add this research item to the SPMS work plan for 2026, with the aim of reporting back to the TFAAC at the June 18, 2026 meeting.

RECOMMENDATION

That:

1. That the Toronto Francophone Affairs Advisory Committee receive this item for information.

Sincerely,

Alejandra Bravo
