Requires Re-opening:

Executive Committee Item EX15.6, adopted by City Council on February 6 and 7, 2012 as it relates to the composition of the George Bell Arena Board of Management.

Summary

The George Bell Arena is an important neighbourhood facility that is valued and well used by the community. To best serve the interests of the community, the size of the board of management should be increased. This would allow for contributions and input from additional residents interested in maximizing the benefits of the arena's operations.

The current composition of the George Bell Arena Board of Management is: 1 Councillor and 7 residents. Increasing the composition from 7 residents to 10 residents will provide an opportunity for additional community participation and more input on arena operations to better serve the community.
