Notice of Motion

MM23.23	ACTION			Ward:All

Commercial Waste Storage and the Public Realm - by Councillor Adam Vaughan, seconded by Councillor Ana Bailão

Notice of this Motion has been given.
This Motion is subject to referral to the Licensing and Standards Committee. A two-thirds vote is required to waive referral.

Recommendations

Councillor Adam Vaughan, seconded by Councillor Ana Bailão, recommends that:

1. City Council request the Deputy City Manager, Cluster B to report to the Licensing and Standards Committee in the last quarter of 2012 with proposed standards for bins on boulevards and flankages of commercial properties including bin locations adjoining sidewalks.

Summary

In order to present a more beautiful streetscape and in an attempt to better frame commercial use as it abuts residential neighbourhoods, it is time for the City to better regulate and create stronger standards for commercial and city garbage bins and grease trap containers.

(Submitted to City Council on May 8 and 9, 2012 as MM23.23)
