Recommendations

Councillor Frances Nunziata, seconded by Councillor Giorgio Mammoliti, recommends that:

1. City Council support the issuance of a Manufacturers Limited Liquor Sales Licence for the business located at 90 Cawthra Avenue.

Summary

A local business in Ward 11 wishes to submit an application for a Manufacturers Limited Liquor Sales Licence for their business at 90 Cawthra Avenue. This particular application requires a resolution from Council in order to support the issuance of the licence by the Alcohol and Gaming Commission of Ontario.

The business has received clearances from the City's Planning Division, and Municipal Licensing and Standards. Additionally, I notified area residents that reside within the area where the establishment is located and held a community meeting to address any concerns. No residents have expressed any concerns regarding this application. The business has done their due diligence in ensuring that residents are aware of their plans and I am supportive of this business and the issuance of this licence.

This motion is urgent as this application has been pending for a number of months and any further delay would cause undue hardship for the applicant.

(Submitted to City Council on October 30 and 31, 2012 as MM27.17)
