Re: Toronto Community Housing/Board Chair

Dear Mr. Pennechetti,

Having been asked to reconsider the date of my resignation from the Board, and with due consideration for the success of Toronto Community Housing, I will continue on as TCHC Board Chair.

I recognize there is still much work to be done but with the support of the TCHC Board, Toronto City Council, City staff, and all the good people of TCHC, we will move forward on our journey toward being the Landlord of Excellence for our residents. Given my current career and personal commitments, I would appreciate the opportunity to review my position as Chair in the fall of 2014.

Thank you again for your ongoing support and the privilege to serve our City.

Yours truly,

N.W. Bud Purves
