City Council

Motion without Notice

MM48.27	ACTION			Ward:24

Potential Relocation from 251 Esther Shiner Boulevard - Oriole Yard - by Councillor David Shiner, seconded by Councillor Peter Leon

**** This Motion has been deemed urgent by the Chair.***
**** This Motion is subject to a re-opening of Item EX35.18. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.***

Recommendations

Councillor David Shiner, seconded by Councillor Peter Leon, recommends that:

1. City Council amend its November 13, 14, 15 and 18, 2013 decision on Item EX35.18 by rescinding the request that staff report to the Executive Committee and instead requesting the Director, Real Estate Services, in consultation with the General Manager, Transportation Services and the Acting General Manager, Parks, Forestry and Recreation to report to the Government Management Committee in May 2014 with respect to recommendations and operational impacts of the relocation from Oriole Yard, as per the Yard Property Utilization Initiative adopted by City Council on November 27, 2012.

Summary

On November 13, 2013, City Council adopted item EX35.18, which directed the General Manger, Transportation Services and the General Manager, Parks, Forestry and Recreation, to report to the Executive Committee on their progress and operational impacts of the relocation from Oriole Yard (located at 251 Esther Shiner Boulevard). This recommendation came from a motion that was introduced at Executive Committee on October 30, 2013.

Real Estate Services is currently in consultation with Transportation Services, Forestry Services, and Parks Services to examine potential relocation options for Oriole Yard. However, total relocation costs and operational impacts have not been determined at this time.

It is my request that City Council delegate to Government Management Committee the responsibility of this matter, as it is real estate related and falls within Government Management Committee's mandate. It is my recommendation that staff report to the Government Management Committee in May 2014 with further information.

The original motion called for this item to be considered at the February meeting of Executive

Committee, however, in consultation with City staff, it was suggested that this matter should be considered at the upcoming Government Management Committee held on May 12, 2014. In order to meet the agenda timetable requirements for the May meeting of Government Management Committee, it is important that this is considered now.

REQUIRES RE-OPENING:

Item EX35.18 adopted by City Council on November 13, 14, 15 and 18, 2013, only as it pertains to the request for staff to report to the Executive Committee.

(Submitted to City Council on February 19 and 20, 2014 as MM48.27)
