MEMORANDUM

Date: November 20th, 2013

To: Chair and Members of the
Committee of Adjustment, North Panel

From: Councillor John Filion
Ward 23, Willowdale

Re: 168 Holmes Avenue
A730/13NY

I am writing to request the Committee consider rejecting this application, as the variances requested are out of character with both the adjacent properties and the wider neighbourhood, and do not meet the intent of the zoning bylaw.

Thank you for your consideration of this matter.

Sincerely,

Councillor John Filion
