Paper Shredding at Environment Days - by Councillor Sarah Doucette, seconded by Councillor Joe Mihevc

**** Notice of this Motion has been given.***
**** This Motion is subject to referral to the Public Works and Infrastructure Committee. A two-thirds vote is required to waive referral.***

Recommendations

Councillor Sarah Doucette, seconded by Councillor Joe Mihevc, recommends that:

1. City Council direct the General Manager, Solid Waste Management Services, to report back to the Public Works and Infrastructure Committee in 2018 on the potential of adding paper shredding services to the 2019 Environment Day itinerary.

Summary

Over the past few years, several Councillors have independently hired paper shredding companies to attend their local Environment Day. This allows residents to recycle papers that contain information too sensitive to dispose of during regular curbside recycling pickup. As an increased number of Councillors add this service to their Environment Day lineup, it is clear that a structured, City-wide process is needed.
