The information provided to the following questions will be used to determine eligibility / ongoing eligibility for child care services under a "special needs" category. This form must be completed by a **professional in the health or social services field** who is involved with this household and brought to the in-person eligibility assessment at Children's Services.

Briefly describe the nature of the special need of this person

In what way would the placement of the child(ren) in a child care program be of benefit?

In your opinion, is this person able to work / attend school outside the home on a full-time basis, assuming that child care needs are met? If not, why not?

If the child(ren) attends school, describe the need for child care before and / or after school

What factors prevent this person from providing adequate daily care for the child(ren)

Describe the effect of any medication that is being taken that may affect the person's ability to adequately care for the child(ren)

Describe any ongoing treatment, therapy or counselling services required

How many hours daily, weekly or monthly are spent in treatment, therapy or counselling

Describe any ongoing support you will be providing to this person

What is the approximate length of time this person will need child care as a support to meeting their special need?
