

The City Manager is the most senior official in the City's administrative structure and is accountable to City Council for the policies and programs delivered by members of the Toronto Public Service. The City Manager is assisted by three Deputy City Managers, one of whom is also the Chief Financial Officer for the City. In addition to the City Manager and the three deputies, the City Manager's Office is comprised of six divisions: Executive Management, Equity, Diversity & Human Rights, Human Resources, Internal Audit, Strategic & Corporate Policy and Strategic Communications.

The Executive Management division supports the day to day operation of the City Manager's office and the daily work of the City Manager. This division also focuses on financial and administrative oversight, management of emerging corporate issues, agenda coordination, municipal performance measurement, benchmarking and best practices initiatives, as well as specific corporate-wide projects including the Mayor's Tower Renewal.
