

# TORONTO Human Resources

## City Manager's Office

The City Manager is the most senior official in the City's administrative structure and is accountable to City Council for the policies and programs delivered by members of the Toronto Public Service. The City Manager is assisted by three Deputy City Managers, one of whom is also the Chief Financial Officer for the City. In addition to the City Manager and the three deputies, the City Manager's Office is comprised of six divisions: Executive Management, Diversity & Human Rights, Human Resources, Internal Audit, Strategic & Corporate Policy and Strategic Communications.

The Human Resources Division develops, implements and monitors corporate policies and partners with corporate and divisional clients in the areas of occupational health and safety including workplace wellness, employee assistance, and return-to-work programs. In partnership with its clients the division is also responsible for recruitment, job evaluation and pay equity; management of HR data and systems; organization development and learning, resources for management and staff and change management; and building collaborative employee and labour relations.
