## City Manager's Office

The City Manager is the most senior official in the City's administrative structure and is accountable to City Council for the policies and programs delivered by members of the Toronto Public Service. The City Manager is assisted by three Deputy City Managers, one of whom is also the Chief Financial Officer for the City. In addition to the City Manager and the three deputies, the City Manager's Office is comprised of six divisions: Executive Management, Equity, Diversity & Human Rights, Human Resources, Internal Audit, Strategic & Corporate Policy and Strategic Communications.

The division's work program reflects clusters of activities ranging from corporate intergovernmental and international activities, corporate policy development and analysis of key corporate initiatives, and governance and corporate performance. The division provides independent and objective analysis and advice to the City Manager and Council on key corporate matters where the City Manager has a clearly defined interest.
