

The City Manager is the most senior official in the City's administrative structure and is accountable to City Council for the policies and programs delivered by members of the Toronto Public Service. The City Manager is assisted by three Deputy City Managers, one of whom is also the Chief Financial Officer for the City. In addition to the City Manager and the three deputies, the City Manager's Office is comprised of six divisions: Executive Management, Equity, Diversity & Human Rights, Human Resources, Internal Audit, Strategic & Corporate Policy and Strategic Communications.

The Strategic Communications Division provides advice, counsel and leadership to the City with respect to communications planning and issues management. The Division ensures messages to the public are clear, consistent and support civic participation and understanding of Council priorities, emerging issues and City programs and services.
