Doug Giles – City of Toronto Parks,
Forestry & Recreation
Senior Project Coordinator
T: 416.392.0989
E: dgiles@toronto.ca

This Focus Group, for users of the existing Regent Park Community Centre, will allow a wide range of stakeholders to identify key community needs and aspirations that must be considered in the design of the facility.

CS&P Architects Inc., jointly selected by The City of Toronto and the Toronto District School Board will design the new Regent Park community hub. The hub includes the new Regent Park Community Centre (Parks Forestry & Recreation community recreation centre and Employment Services employment centre) connected to the fully renovated Nelson Mandela Park Public School and Blevins Child Care. This is an exciting and uniquely collaborative design and development process and all the partners are enthusiastically working together.
