

# Kids CAN-BIKE Quiz!

Answers! a. Right. b. Left. c. Right. d. Stop. e. Shoulder. f. Stay far behind or in front of the truck. g. Easy. h. Red lights and stop signs. i. The green path. j. Forehead, ears, and chin.

Where should you be when a truck is making a right-hand turn? Trucks need to make wide turns and you can get squeezed.

Do you know your helmet salute? Two fingers above your eyebrows to protect your \_\_\_\_\_. Straps should meet in a V-shape just below your \_\_\_\_\_. One finger should fit between your \_\_\_\_\_ and the strap. When you ride always keep your helmet done up!

What path would you take: the green or the red? Be predictable and you won't surprise anyone, or be surprised!

Take Control. Take CAN-BIKE!
