

# Bikeway Network - Downtown - 2010 Program - Intersection Enhancement

Intersection treatment along a bike lane.

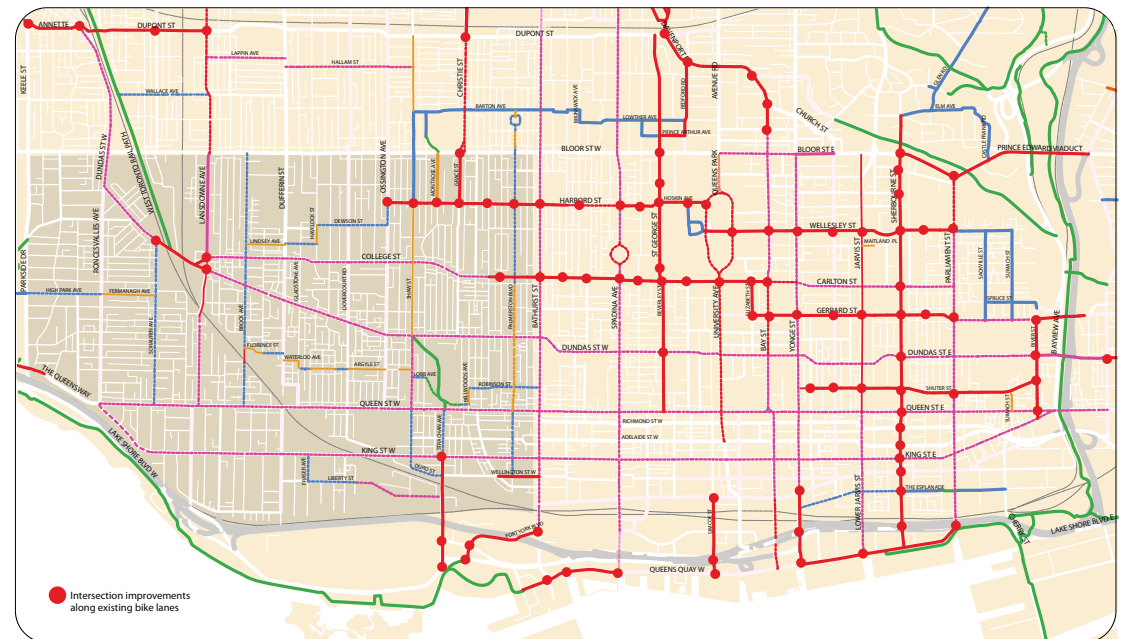

Intersection treatment along a sharrow route.

Existing treatment at Annette-Dupont.

Treatment for existing bike lanes, to be installed in 2010.

Where bike lanes have been dropped in advance of an intersection these gaps will be filled in at the following locations:

- Davenport Rd at Lansdowne Ave, Dufferin St and Bathurst St
- Gerrard St at Jarvis St
- Harbord St at Spadina Ave and Bathurst St
- College St westbound at Spadina Ave
