Total Employment by Sector

Part-Time Employment by Sector

Census Undercount: Although Statistics Canada makes great efforts to count every person, some people are missed in each Census. (e.g., people may be traveling, or some dwellings are hard to find). Following a review of the 2006 Census results for Toronto, city of Toronto staff identified the possibility that the Census may have undercounted more of Toronto's population than usual. At the time of this publication, staff continue to investigate this issue.

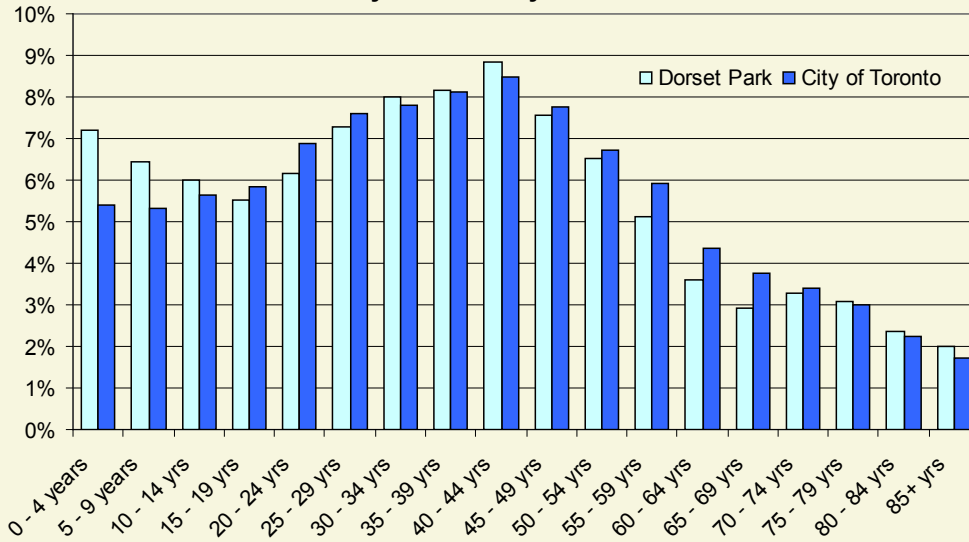

Age & Sex Profile

Population Change 2001- 2006
