ADDITIONAL INFORMATION

Briefly describe:

- the environmental benefits that could be expected if the project is successful, and how the project will demonstrate these benefits to the public (if applicable).
- any economic and/or social benefits the project will create.
- how you propose to provide the EEO with ongoing energy data related to your project throughout the term of your loan, if approved.

Please provide a copy of your organization's sustainability plan, or other document(s) that outline your environmental goals, objectives, targets, etc.

Please list other funding received or applied for (amount and source) for this project.
