

Electronic Waste

Multi-Residential Buildings

Residents, place small electronic items in this E-bag for City collection and recycling, such as:

- Cell phones and home phones
- Computer cables and accessories
- Hand-held computers
- Pagers
- Radios
- Cameras
- Video recorders

The City will also accept large electronic items for recycling, such as:

- TVs
- Desktop computers and monitors
- Laptop computers
- Keyboards
- Printers and scanners
- Copiers
- Typewriters
- Fax machines
- VCR/DVD players
- Stereos, tuners and turntables
- Receivers and speakers

Residents: E-bags and large individual electronic items should be brought to the building's collection point. Check with your building superintendent/manager for more information.

Property owners/managers: Put bags and large electronic items out beside the garbage bin(s) on your building's regular garbage collection day.
