

Erratum

The version of this report that was posted between April 6, 2005 and June 13, 2005 and the corresponding hardcopy release contained the following errors:

1. Page 49, Selected Safe Water Indicators:

"Only one test result showed that chlorine levels were above...." should read

"Only one test result showed that chlorine levels were **below**...."

2. Page 49:

Figure 13 was corrected to reflect the time period discussed in the text.

3. Page 51:

Figure 14 was corrected to reflect the time period discussed in the text.

The version currently posted has been revised to reflect these corrections.
