Acknowledgements

The production of this report has been a co-operative effort involving many staff from different programs and services across Toronto Public Health. Frontline staff, managers and directors provided us with the data included in the following pages, information about TPH programs and invaluable comment and consultation during the preparation of the report. I would like to thank one and all for their input.

The Health Information Team had primary responsibility for the report, and I would therefore like to specifically thank the team members listed below for their hard work and support for this project. They are:

Nancy Day, *Epidemiologist and Project Manager*
Teresa Chong-Low, *Health Information Analyst*
June Cox, *Clerical Support*
Elizabeth Ginger, *Secretarial Support*
Fred Goettler, *Biostatistician*
Simon Hanukov, *Health Information Analyst*
Meera Jain, *Epidemiologist*
Beth Kwavnick, *Epidemiologist*
Janet Phillips, *Health Information Analyst*
Charles Yim, *Data Analyst*

I would also like to recognize the significant contribution and support received from:

Dr. Sheela V. Basrur, *Medical Officer of Health*
Barbara Emanuel, *Senior Program Co-ordinator*
Linda Shortt, *Director (Acting), Public Health Planning and Policy*
Betty Burcher, *Manager, Health Planning*
Dianne Patychuk, *Social Epidemiologist*

Thanks is also extended to Dianna Teodorowych and Rick Travaglini for their support with graphics and to Linda Rosenbaum and Lorraine Filyer who edited the document.

Finally, appreciation is extended to our external partners for their provision of special data, including:

Edward Adlaf, *Addiction Research Foundation – Centre for Addiction and Mental Health*
Sherri Ennis, *Central East Health Information Partnership*
Gordon Ferhinger, *Cancer Care Ontario*
