

# Catch-up Immunization Clinics

## Human Papillomavirus (HPV) Vaccines

Created: January 25, 2012

### Free clinics for:

- Toronto grade 8 students who have missed 1<sup>st</sup> or 2<sup>nd</sup> dose of Human Papillomavirus (HPV) vaccine at school.

### Parents please note:

- For full protection, 3 doses of the HPV vaccine are required.
- Children under 14 years of age must have a consent form signed by a parent or legal guardian.
- If possible, bring previous vaccination records.
- A health card is not needed to be vaccinated.
- If your child has already received the vaccines, call the immunization information line at 416-392-1250.

### Clinic Hours: 3:00 p.m. to 7:00 p.m.
