

## What you need to know...

- Chlamydia is the #1 STI among Toronto youth.
- You can get Chlamydia from unprotected vaginal, oral or anal sex with someone who has the infection.
- Testing for Chlamydia is easy.
- Chlamydia is easily cured with antibiotics.
- If not treated, Chlamydia may cause pain and infertility.

For more info on testing and treatment of Chlamydia and other STIs call the **AIDS & Sexual Health InfoLine** at **416-392-2437**
