Update

Earl Bales Stormwater Pond & Water Supply

Project Start Date: July, 2010

Expected Completion Date: June 30, 2011

You previously received a Construction Notice about this project, dated June 24, 2010. Please note the following changes to the project:

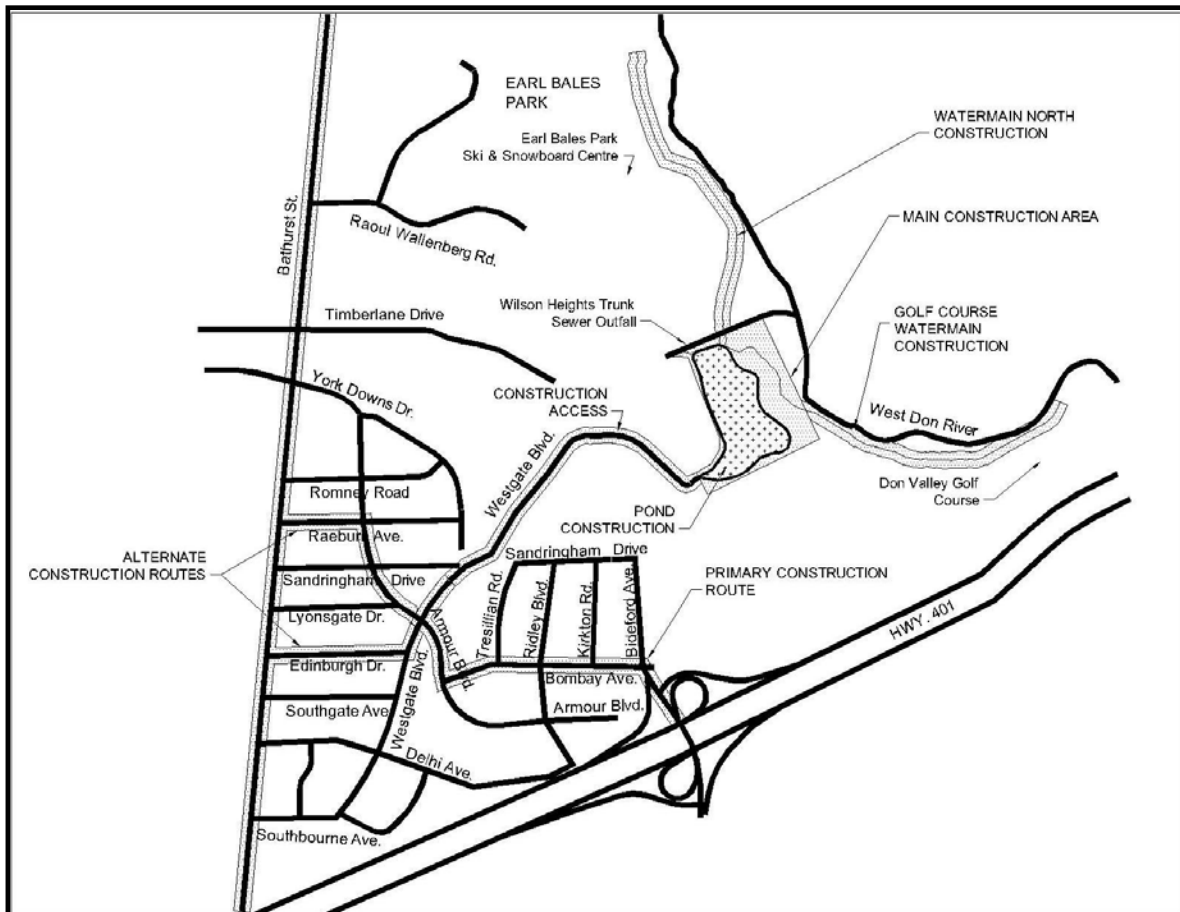

- Expected completion date for this project is now June 30, 2011, weather permitting. The completion date has been delayed primarily due to weather conditions over the fall and winter.

All other construction details, including work hours and pedestrian and vehicle access remain unchanged from the previous notice. These details can be accessed online at www.toronto.ca/involved/projects/earlbales.

A map showing the work area is included below.

Your co-operation and patience during the construction period is crucial and will be appreciated.
