## **Humber College Boulevard Highway 27 to Finch Avenue and Finch Avenue to Carrier Drive Road Rehabilitation**

### **Temporary One-way on Humber College Boulevard from Finch Avenue to Carrier Drive on August 8**

The City of Toronto is currently undertaking road rehabilitation on Humber College Boulevard from Highway 27 to Finch Avenue and from Finch Avenue to Carrier Drive.

In order to undertake the paving of top course asphalt safely on Humber College Boulevard from Finch Avenue to Carrier Drive, this section of Humber College Boulevard will be temporarily converted into a one-way street on August 8, 2011, starting at 9:30 am and extending to 7:00 pm.

Traffic restrictions will result in the following:

- Northbound traffic will be maintained on Humber College Boulevard from Finch Avenue to Carrier Drive.
- There will be no access to Humber College Boulevard from Carrier Drive, i.e., southbound traffic will not be maintained.
- TTC service on Humber College Boulevard from Finch Avenue to Carrier Drive will be maintained in the northbound direction.
