## Kenilworth Avenue Outfall Reconstruction

**Expected Project Start Date: December 19, 2011**

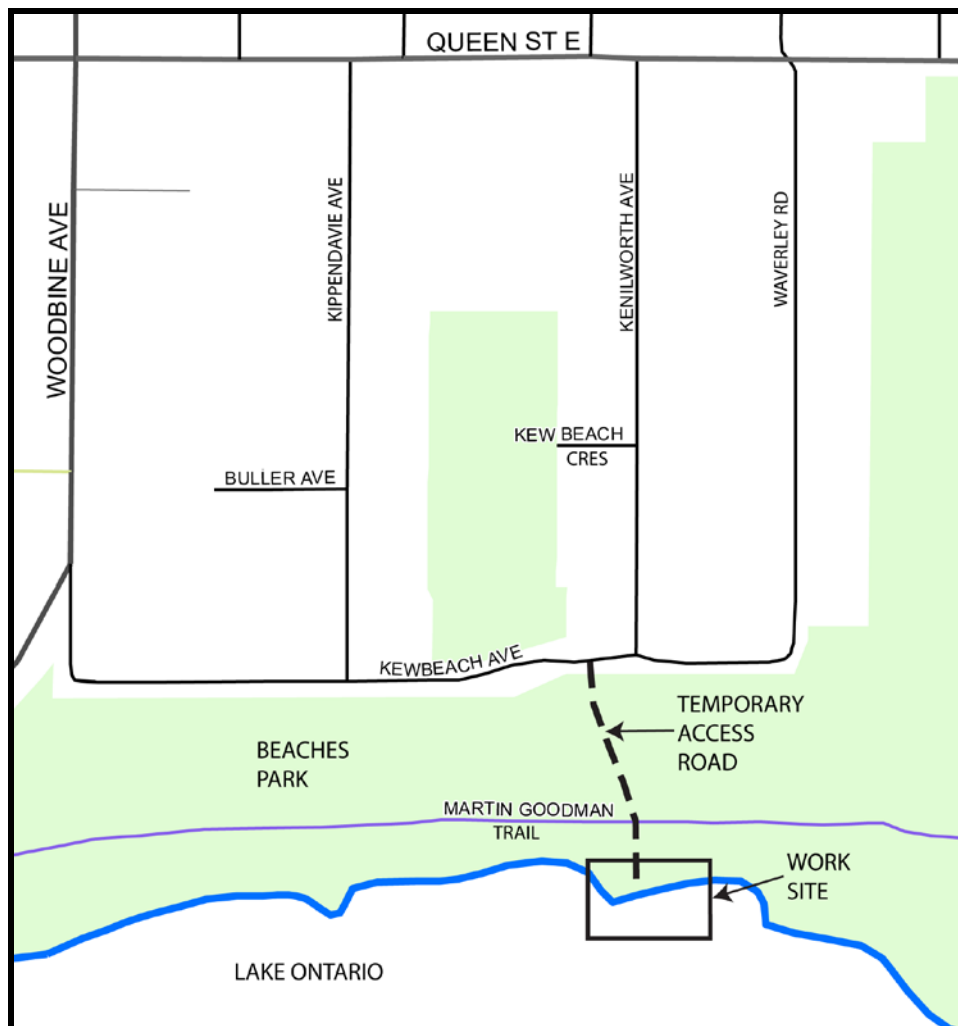

**Expected Completion Date: late January, 2011**

The City of Toronto will be reconstructing the Kenilworth outfall in order to ensure safety of the Beaches Park users. This project is part of the Council approved 2011 Capital Works Plan.

This work will take place in Beaches Park, at the south end of Kenilworth Avenue.

Your co-operation and patience during the construction period is crucial and will be appreciated.

### Map of Work Area

## Construction Details

Work will include the following:

- construction of a temporary access road;
- construction of a temporary by-pass of the outfall;
- construction of an armourstone wall on the east side of the outfall;
- reconstruction of the existing outfall; and
- restoration of the site to its current condition.

You will be notified if there are any significant changes to the construction schedule or work to be undertaken.

## Work Hours

Work will typically take place from 7:00 a.m. to 7:00 p.m. from Monday to Friday, with work after hours and on weekends as required. There will be no activities on Dec 24, Dec 25, Dec 26, Dec 31, Jan 1 and Jan 2.

## Disruptions

As with all construction projects, there will be noise and temporary inconveniences. In order to complete the work effectively and in a safe manner, the contractor will need to access the site using a temporary road across Beaches Park, and will need to cross the Boardwalk at the end of Kenilworth Avenue. The site will be clearly signed to ensure safety of all park users and every effort will be made to reduce the inconvenience. The City appreciates your understanding and co-operation.
