

Lake Shore Boulevard East Watermain and Water Service Construction Contract No. 10TE-91WS

Expected Project Start Date: July 11, 2011

Expected Project Completion Date: December 2011

The City of Toronto's Watermain Construction Programme includes the construction of a watermain and water services on Lake Shore Boulevard East from Carlaw Avenue to Leslie Street.

Construction Details

- The construction is tentatively scheduled to start on July 11, 2011.
- Weather permitting, the construction will be completed in December 2011.
- This contract consists of construction of a new watermain within the road allowance and transfer of water services from the existing watermain to the new watermain. Older water services will be replaced from the property line to the new watermain.

Parking and General Information

- Vehicle access will be maintained, but lane restriction will be implemented and on-street parking will be restricted in the immediate area of construction.
- Access and storage for trucks and heavy equipment will be managed in such a way so as to minimize obstruction to traffic.

Every effort will be made to complete this essential work as quickly as possible and with the least inconvenience to the community. Your assistance and co-operation during the construction period is crucial and appreciated.

Work Hours

Normal working hours are from 7:00 a.m. to 7:00 p.m., Monday to Friday. Work may be done in the evenings, at night and/or weekends, if required.
