Andover Crescent Sidewalk Construction

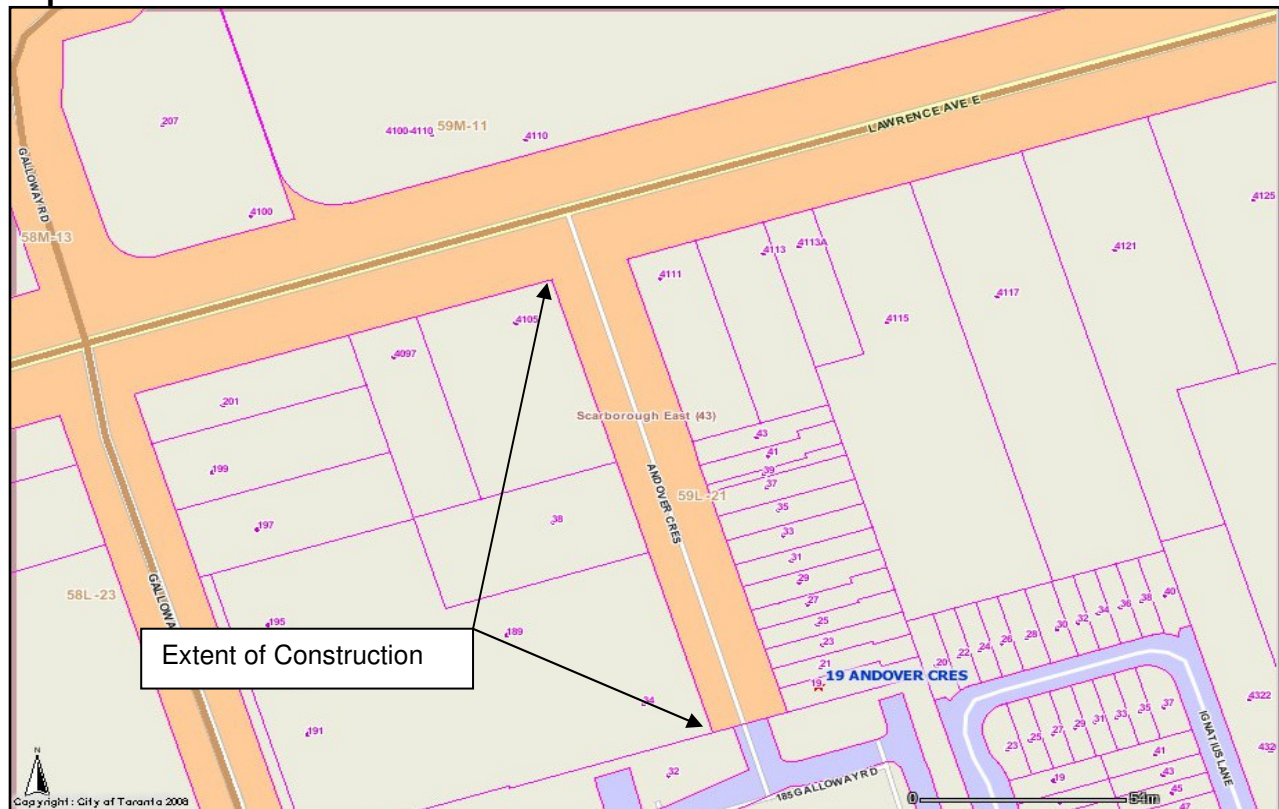

Expected Project Start Date: Summer, 2011
Expected Project Completion Date: Fall, 2011

The City of Toronto, will be installing a sidewalk on the west side of Andover Crescent (Lawrence Avenue to south end terminus) as part of the 2011 Transportation Capital Works Program.

This work will take place on Andover Crescent. A map showing the work area is included below.

Further notice will be given prior to construction with a more accurate start date and other information regarding the work. Your co-operation and patience during the construction period is crucial and will be appreciated.

Map of Work Area

Project Details

The scope of work includes the installation of the sidewalk on the west side of Andover Crescent providing a pedestrian connection to Lawrence Avenue East.

During construction, temporary lane closures adjacent to construction zones will be enforced, as required. Business access and emergency traffic will be maintained at all times.

Any/all areas disturbed during construction will be restored to original condition

Many people have planted landscaping, fences, irrigation systems or other physical features in front of their home which are within the City property limits. These may be in the way of the construction. In such cases, residents are advised to remove these items prior to the beginning of construction in order to avoid unnecessary damage. The City will not be responsible for damage to any privately owned items installed on the City's property.

Next Steps

1. Project design is nearing completion and when complete there will be a public tender call. A contract will be awarded to the firm with the lowest bid price meeting the City's specifications.
2. A construction notice will be distributed to all residents/business in the locale of the project area prior to the start of construction.
3. The expected start date of construction is Summer 2011.
