## **Brownfield Gardens and Brycemoor Road Local Road Reconstruction**

**Expected Project Start Date: Fall, 2011**  
**Expected Completion Date: Summer, 2012**

The City of Toronto will be reconstructing Brownfield Gardens and Brycemoor Road including sewer, watermain and road construction.

Further notice will be given prior to construction with a more accurate start date and other information regarding the work. Your co-operation and patience during the construction period is crucial and will be appreciated.

### **Map of Work Area**

## Project Details

### Brownfield Gardens:

- Road Reconstruction
- Storm Sewer Construction
- Water Service Replacement

### Brycemoor Road:

- Road Reconstruction
- Storm Sewer Construction
- Sanitary Sewer Construction
- Sanitary Service Connection
- Watermain Replacement
- Water service Replacement

Many people have planted landscaping, fences, irrigation systems or other physical features in front of their home which are within the City property limits. These may be in the way of the construction. In such cases, residents are advised to remove these items prior to the beginning of construction in order to avoid unnecessary damage. The City will not be responsible for damage to any privately owned items installed on the City's property.

Due to the road urbanization (from ditches to curb and gutter), the proposed driveway width will be revised according to the City's Standard.

## Next Steps

Project design is nearing completion and when complete there will be a public tender call in Summer, 2011. A contract will be awarded to the firm with the lowest bid price meeting the City's specifications.
