## Triton Road Major Road Reconstruction

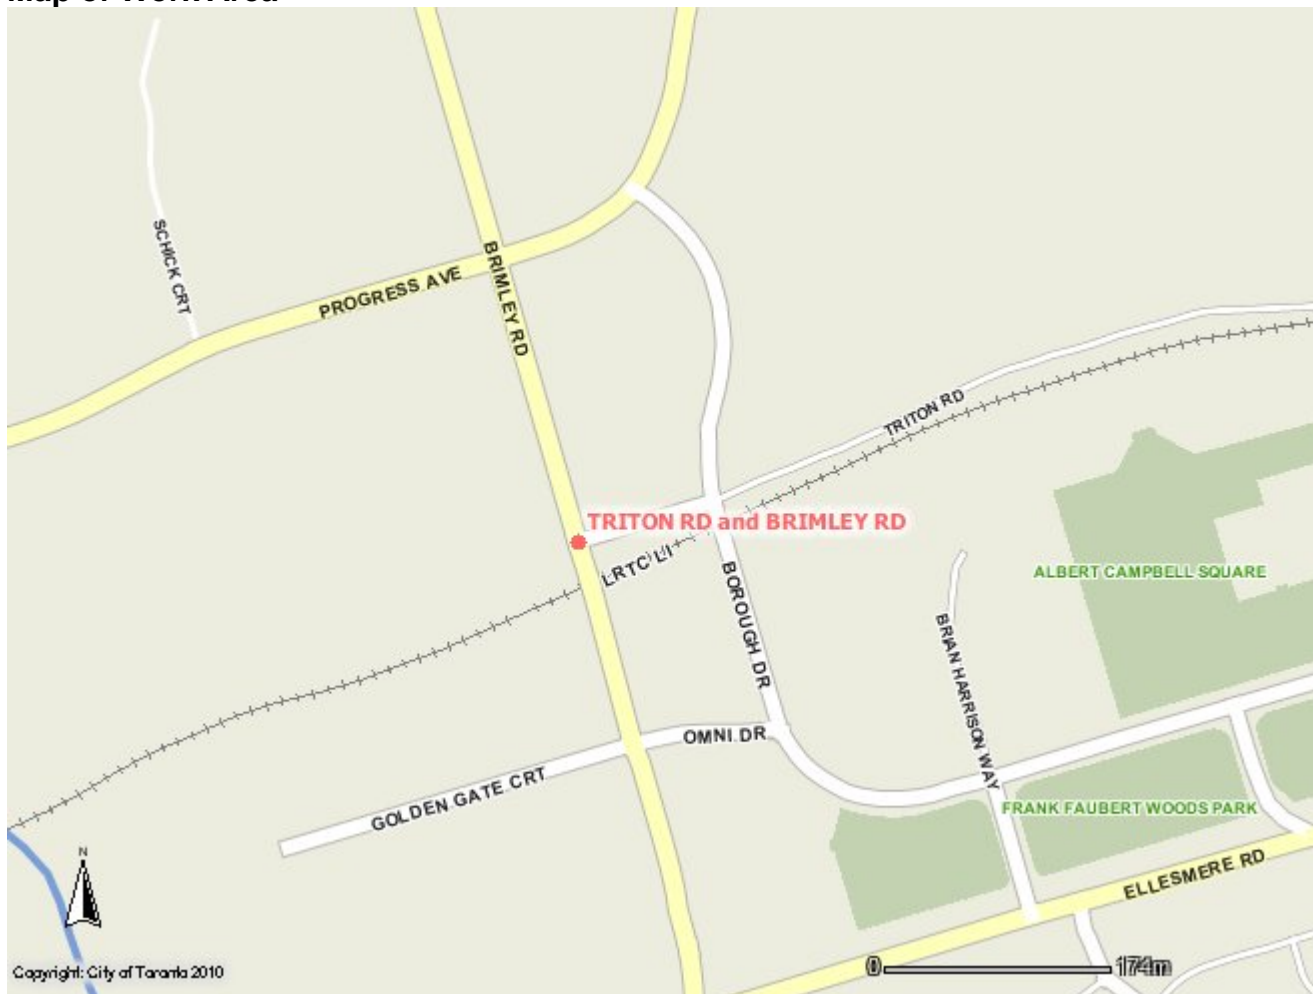

**Expected Project Start Date: Spring 2012**  
**Expected Completion Date: Summer 2012**

The City of Toronto, Technical Services, Design & Construction – Linear Infrastructure will be reconstructing Triton Road from Brimley Road to Borough Drive. This project is part of the 2012 Capital Works Program.

A map showing the work area is included below.

Further notice will be given prior to construction with a more accurate start date and other information regarding the work. Your co-operation and patience during the construction period is crucial and will be appreciated.

### Map of Work Area

## Project Details

Scope of work includes:

- removal of existing asphalt and paving,
- repair of road base,
- placing top soil and sod on re-graded areas.
- replacement of curb, gutter and sidewalk as required.

Residents or business owners may have planted landscaping, fences, irrigation systems or other physical features in front of their home or business which are within the City property limits. These may be in the way of the construction. In such cases, residents are advised to remove these items prior to the beginning of construction in order to avoid unnecessary damage. The City will not be responsible for damage to any privately owned items installed on the City's property.

## Next Steps

1. Project design is nearing completion and when completed there will be a public tender call in Spring 2012
2. A contract will be awarded to the firm with the lowest bid price meeting the City's specifications.
