CHANGES TO FRONT STREET AT UNION STATION

Next Phase: Design Details

In the next phase of the study the project team will be looking at design details such as:

- Dimensions of sidewalk, median, and lay-by parking
- Design of the mid-block crossing
- Potential turning restrictions
- Taxi marshalling and the potential for offsite taxi queueing
- Wayfinding signs (e.g. arrows to the CN Tower, Rogers Centre, Air Canada Centre, TTC)
- Potential pedestrian scramble at Bay Street and Front Street (not possible at York Street)
- Street furniture (e.g. benches, bike posts, lamps, newspaper boxes)
- Placement of trees and any other landscaping
- Plans for street food vendors
- Sidewalks and lane configurations east of Bay Street and west of York Street
- Pavement treatments and other materials
