

Comment Sheet

Study Purpose

The purpose of this study is to review and recommend appropriate improvements along John Street to meet the existing and future needs of the corridor.

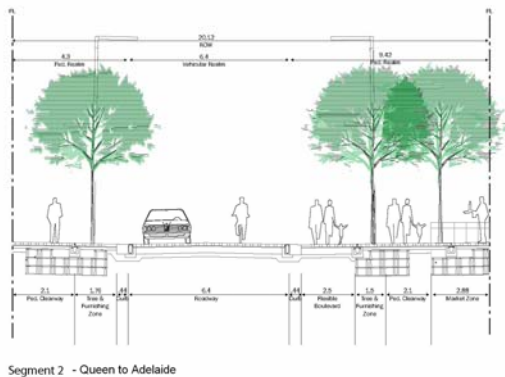

- Several criteria will be used to evaluate the two design alternatives. Please use the chart below to rank (from 1 to 5, 1 being the most important) which of these is most important to you. Also provide comments or questions you have about the criteria.

<u>Criteria</u>	<u>Rank</u>	<u>Comments/Questions</u>
Cost		
Natural Environment		
Socio-cultural		
Transportation		
Urban Design		

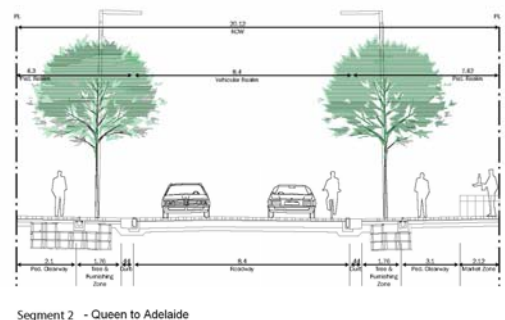

- Are there any other criteria that should be considered?

- Two alternative designs are being considered (details provided on panels). Please provide any comments you have about the alternatives:

Alternative A - Flexible Boulevard (with 3.2m lane widths)

Alternative B – Shared Lanes (with 4.2m lane widths)

4. Based on the above criteria and comments, please indicate which alternative you feel meets the project objectives:

- Alternative A - Flexible Boulevard (with 3.2m lane widths)
- Alternative B – Shared Lanes (with 4.2m lane width)
- Other (please describe):

5. Please provide any other comments you have:

6. How did you first hear about this event?

- | | |
|---|---|
| <input type="checkbox"/> Advertisement in newspaper | <input type="checkbox"/> E-mail from City |
| <input type="checkbox"/> Flier drop-off | <input type="checkbox"/> Word-of-mouth |
| <input type="checkbox"/> Other E-mail | <input type="checkbox"/> Media story |
| <input type="checkbox"/> Website (please specify) _____ | |

7. How do you primarily use John Street?

- | | |
|---|--|
| <input type="checkbox"/> own/work for business on/near John | <input type="checkbox"/> live on/near John |
| <input type="checkbox"/> walk on John | <input type="checkbox"/> cycle on John |
| <input type="checkbox"/> drive a car/truck on John | <input type="checkbox"/> don't use John |
| <input type="checkbox"/> other (specify) _____ | |

.....
Please submit your comment sheet to City staff before you leave, or mail us your comment sheet (by **June 30th, 2011**) using the postage paid envelopes available at tonight's event. For more information on the John Street Corridor Improvements Environmental Assessment, please contact:
