Background

The City of Toronto and the TTC are proposing to create a Bus Rapid Transit (BRT) service that would run between Victoria Park station, along Danforth Avenue to Kingston Road, and along Kingston Road to Eglinton where it would connect with the proposed Scarborough-Malvern LRT .

Do you have any comments on the proposed stop spacing and stop locations for the Kingston Road / Danforth Avenue BRT?

Do you have any comments or recommendations regarding the connections to the Victoria Park subway station or the proposed Scarborough-Malvern LRT at Kingston Road and Eglinton?

Do you have any other specific comments or recommendations to aid the project team in this work?

Thank you for participating in this study.
