Kingston Road Transit Improvements Environmental Assessment NOTICE OF SUBMISSION – TERMS OF REFERENCE

The City of Toronto and Toronto Transit Commission (TTC) are commencing an Environmental Assessment (EA) to examine transit improvements in the Kingston Road corridor from Victoria Park Avenue to Eglinton Avenue.

As part of the environmental assessment process, the City of Toronto and TTC are submitting a Terms of Reference (ToR) to the Ontario Ministry of the Environment (MOE) for formal review as required under the provincial *Environmental Assessment Act*. The ToR guides the next steps of the study and identifies the issues to be addressed. Also included in the ToR are the range of potential alternatives to be evaluated and a public consultation plan. If approved by MOE, the ToR will serve as a benchmark for the EA Study.
