

On November 9, 2011, the TTC along with Landscape Architects, Brown and Storey, will be presenting their detailed landscape design for the perimeter of the Ashbridges Bay Maintenance and Storage Facility.

Brown and Storey Architects were the winners of the Landscape Design Competition launched last year. The presentation will reflect their work on this project since the fall of 2010.

The design is the result of community meetings and public input throughout the summer and fall. It reflects an exciting vision for the area around the future Ashbridges Bay TTC Facility at Leslie Street and Lake Shore Blvd.

Please join us for this exciting event!

公眾會議

景觀設計—新有軌電車的 Ashbridges Bay 設施

2011 年 11 月 9 日，TTC 連同景觀建築師 Brown and Storey 將展示他們對於 Ashbridges Bay 維護與儲藏設施周邊區域的詳細景觀設計方案。

演示報告將反映他們在 2010 年秋天獲得合約以來對此專案所做的工作。Brown and Storey Architects 是去年舉辦的景觀設計大賽 (Landscape Design Competition) 的獲獎者。

從夏天到秋天，經過多次社區會議及吸納各方公眾意見，才敲定這個設計方案。設計方案反映了 Leslie Street 和 Lake shore Blvd 未來的 Ashbridges Bay TTC 設施周邊區域令人興奮的景象。

請與我們一起參加這個令人興奮的活動！

活動詳情：

日期：**2011 年 11 月 9 日**

時間：下午 **6:00** 招待會

下午 **6:30**— 晚上 **8:30**

(演示報告結束後將進行問與答項目)

地點：**Toronto EMS- 895 Eastern Ave**
