Purpose of Meeting #2

The purpose of this second Public Open House is to present the preferred design alternative for Roncesvalles Streetscape Improvements, and to invite comments and questions from residents in the area of Roncesvalles Ave.

Question 1. Preferred Route

Based on the evaluation of alternatives, the recommended Streetscape design for Roncesvalles Ave. is:

Concept 2 – One general travel lane in each direction, with one lane of parking on both the east and west sides of Roncesvalles Ave. The sidewalk/boulevard will be expanded in certain areas to improve public space and streetcar platforms for level boarding will be installed at each streetcar stop.
