

Route Assessment and Schedule 'B' Municipal Class Environmental Assessment
 Watermain Construction Project from Rosehill Pumping Station
 to Bayview Avenue and Eglinton Avenue Area

COMMENT SHEET

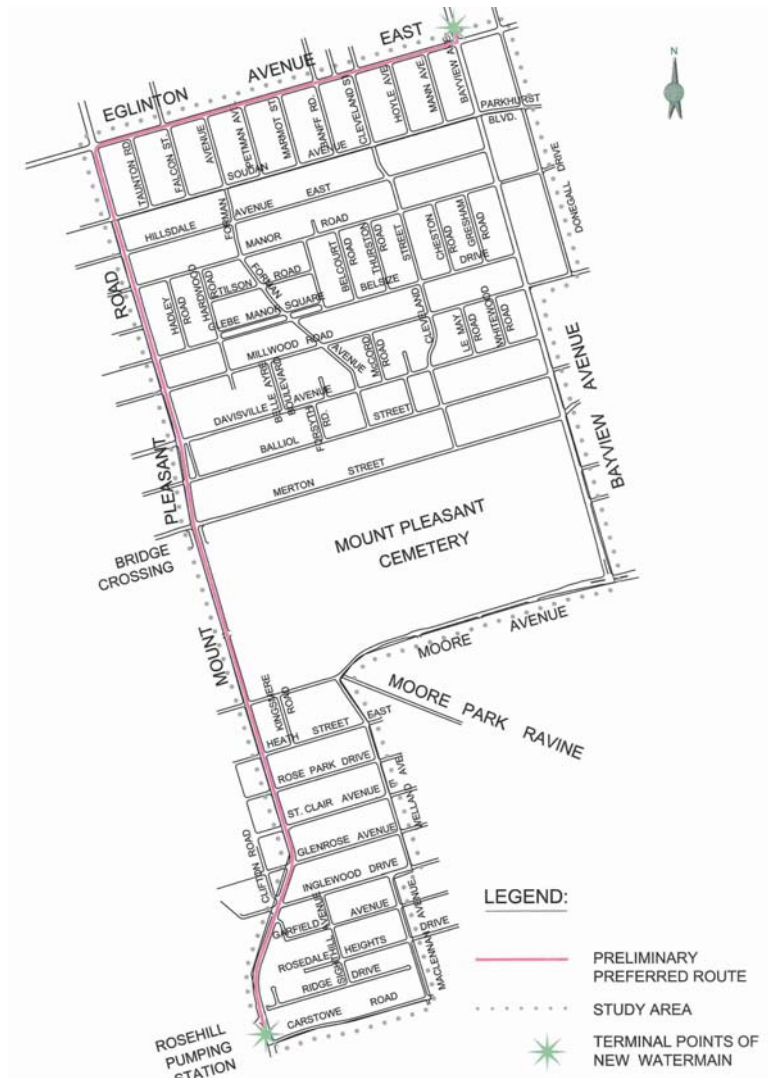

Open House #2 – March 21, 2007

Background

The City of Toronto is undertaking a Municipal Class Environmental Assessment (Class EA) to determine the preferred route for a new watermain that needs to be constructed from the Rosehill Pumping Station to the Bayview Avenue and Eglinton Avenue Area. The City is interested your comments and suggestions regarding this project. Please take a few minutes to complete this comment sheet. All comments will be considered.

Questions and Comments:

The following route alignment has been identified for the new watermain:

**Route Assessment and Schedule 'B' Municipal Class Environmental Assessment
Watermain Construction Project from Rosehill Pumping Station
to Bayview Avenue and Eglinton Avenue Area**

Question 1.

Based on the evaluation of alternatives, the City's consultant is recommending the following route alignment for the construction of the 1650mm watermain:

Route 'C' – from the Rosehill Pumping Station north on Mount Pleasant Road, east on Eglinton Avenue to Bayview Avenue/Eglinton Avenue area.

a. Do you agree with this route? Please indicate why or why not.

b. Do you think that all the appropriate evaluation criteria were considered? Please indicate why or why not.

Category	Criteria
Natural Environment	Vegetation, Trees, Streetscaping and Landscaping
	Tree Canopy
Socio-Cultural Environment	Impacts to archaeological, cultural and heritage features
	Construction Impact to Residents including Access
	Construction Impact to Businesses
	Construction Impact to Recreational areas and Schools
	Traffic impacts on local and arterial roads
Technical Considerations	Method of construction (open cut vs. tunnel)
	Existing utilities
	Hydraulic considerations
	Existing moratoriums (roads recently reconstructed or resurfaced)
Economic Considerations	Capital costs
	Operating and Maintenance Costs
