

Sheppard Avenue East

Watermain Upgrades (Scunthorpe Road to Gateforth Drive)

Sewer Upgrades (Scunthorpe Road to just east of Progress Avenue)

Construction Timelines

Projected Start: Mid September 2009*

Projected Finish: End of November 2009*

**timelines are subject to change due to weather and/or unforeseen events*

Purpose of Upcoming Work on Sheppard Avenue East

The upcoming work will extend the service life of the watermains and sewers in order to minimize maintenance and life-cycle costs. The watermain and sewer upgrades are being coordinated in advance of the Sheppard Avenue East Light Rail Transit (LRT) project. The existing watermain and services will be replaced and the existing storm sewer will be re-located.

Work Zones on Sheppard Avenue East (see map on reverse page)

- Watermain upgrades - Scunthorpe Road to Gateforth Drive
- Sewer upgrades - Scunthorpe Road to just east of Progress Avenue

Work Details

- Construction of new watermains, large water services, hydrants and valves
- Construction of new copper water services
- Removal of existing valves, hydrants and water service boxes
- Breaking down of existing valve chambers to be abandoned
- Pressure testing and disinfecting of newly constructed watermains
- Construction of new storm sewer, appurtenances, manholes and extension and reconnection of leads to existing catch basins
- Plug and fill of existing storm sewer and cut down and fill of existing manholes with un-shrinkable fill

Traffic

There will be traffic delays during the work. A minimum of one lane of traffic in each direction will be maintained through the work area. Pedestrian traffic will be maintained at all times.

Parking and Vehicle Access

Vehicular access to Sheppard Avenue East properties will be maintained.

Work Hours

Work will generally take place from 7:00a.m. to 7:00 p.m, Monday to Friday with weekend work and overnight work as required.

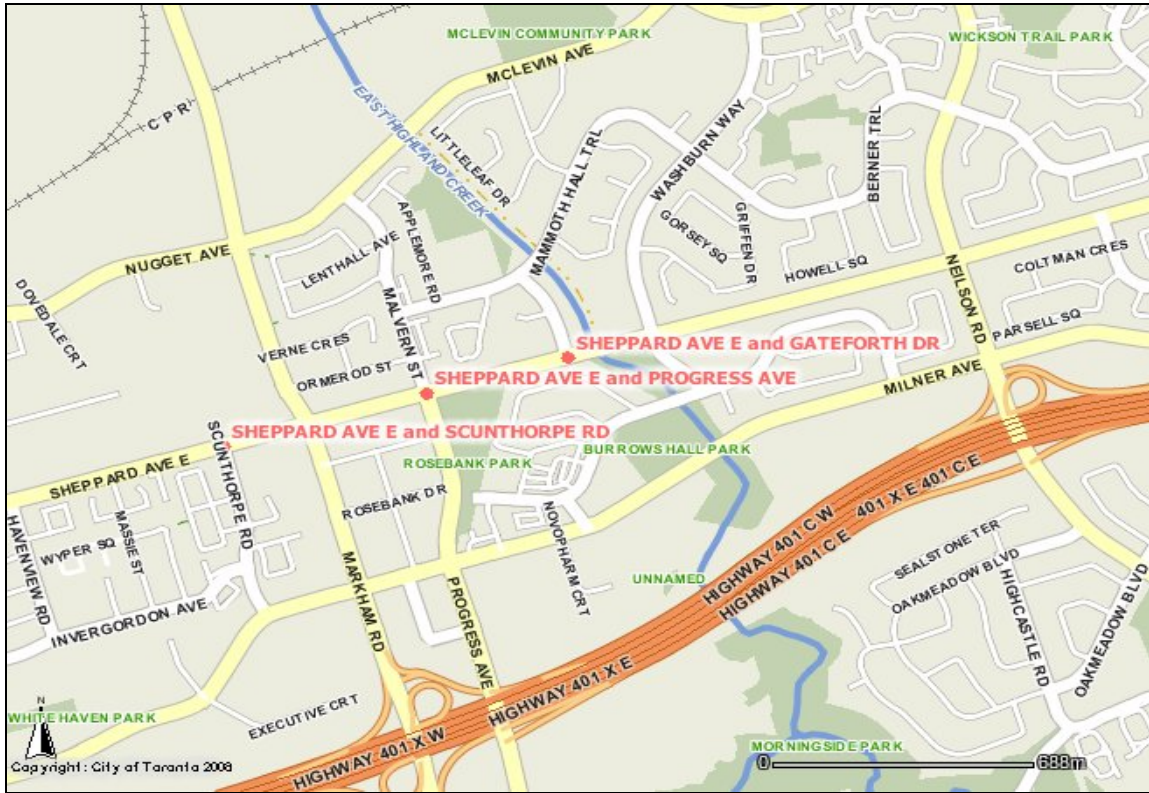

Recycling and Garbage Collection

Please follow your normal routine.
