

Construction Notice

Agincourt GO Station **Detour Road (Agincourt GO Station Parking Lot)**

Construction Timelines

Projected Start: December 7 2009*

Projected Finish: February 2010*

*timelines are subject to change due to weather and/or unforeseen events

Purpose of Upcoming Work on Sheppard Avenue East

The project is to provide a detour road for vehicular traffic to by-pass the planned grade separation of Sheppard Avenue and the Stouffville GO line.

Work Zones on Sheppard Avenue East (see map on reverse page)

- Agincourt GO Station, parking lot.

Work Details

- Widening of the West entrance into the GO Station parking lot
- Closure of the East entrance of GO Station parking lot
- Construction of a detour road through the south section of the parking lot
- Demolition of a de-commissioned commercial building located to the east of the Go Station
- Continuation of detour road on the east side of the train tracks terminating on Sheppard Avenue

Traffic

There will be minor traffic delays during the work. A minimum of one lane of traffic in each direction will be maintained through the work area on Sheppard Avenue East. Pedestrian traffic will be maintained at all times.

Parking and Vehicle Access

A portion of the south parking lot will be closed as shown in the picture below. The access to the Agincourt GO station building and the north parking lot will be maintained.

Work Hours

Work will generally take place from 7:00am - 7:00pm, Monday to Friday with weekend work and overnight work as required.
