
Sheppard Avenue East and Markham Road Intersection **Watermain Upgrades (October 24-26)** **Sewer Upgrades (early November)**

Watermains

Projected Start: Saturday, October 24, 1:00 am *

Projected Finish: Monday, October 26, 5:00am *

* Timelines are subject to change due to weather and/or unforeseen events

Markham Road and Sheppard Avenue East Intersection

Starting on Saturday October 24th at 1:00 am to Monday October 26th at 5:00 am, the intersection of Sheppard Avenue East and Markham Road will undergo construction to upgrade watermains. Sewer upgrades are tentatively scheduled from Nov 7th -9th.

Purpose of the Project

The work will extend the service life of the watermains and sewers in order to minimize maintenance and life-cycle costs in advance of the Sheppard Avenue East Light Rail Transit (LRT) project.

Traffic Restrictions

In order to complete the watermain work as quickly as possible with the least amount of disruption, the following traffic restrictions will be in place from October 24th (1:00 am) to October 26th (5:00am)

Sheppard Avenue East

- one lane maintained in both directions (eastbound and westbound) across the intersection
- no left turns permitted onto Markham Road
- right hand turns permitted onto Markham Road

Markham Road

- traffic will not be able to cross the intersection northbound or southbound for the majority of the closure.
- no left hand turns permitted onto Sheppard
- right hand turns will be permitted onto Sheppard
- Efforts will be made to reinstate north and south through traffic on Markham Road before the end of the closure, as soon as safety to the workers and motorists can be achieved.

Overall Update

Watermain and Sewer construction between Scunthorpe Road and Gateforth Drive is scheduled to be completed by **December 10, 2009**. Staff appreciate your patience during this important work.

Work Hours

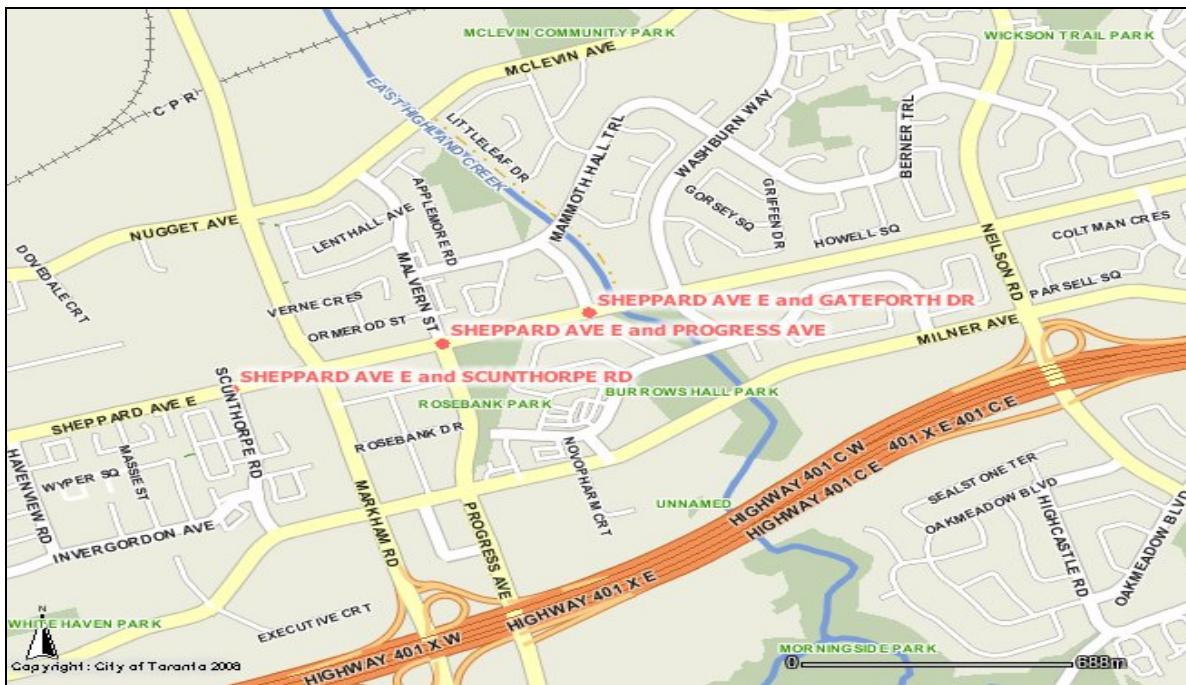

Work will generally take place from 7:00 am to 7:00 pm. However, the contractor does have permission to work overnight in order to finish the work as quickly as possible and to minimize traffic disruption. When work occurs overnight, all necessary steps will be taken to minimize noise.
