Executive Summary

	Page
1. Introduction	1
1.1 Waterfront West Light Rail Transit EA (1993)	1
1.2 Purpose for the Current EA Modification	2
1.3 EA Modification Requirements	3
1.3.1 Procedures for Addressing Major Changes	3
1.3.2 Notification and Approval	4
2. Existing Conditions	5
2.1 Study Area	5
2.2 Existing Transportation Conditions	5
2.3 Natural Environment	6
2.3.1 Existing Terrestrial Conditions	6
2.3.1.1 Tree Survey	6
2.3.1.2 Existing Vegetation Communities	7
2.3.1.3 Results	7
2.3.2 Areas of Potential Soil Contamination	7
2.4 Land Use	8
2.4.1 Approach	8
2.4.2 The Planning Policy Context	9
2.4.2.1 Official Plan	9
2.4.2.2 The Garrison Common North Secondary Plan	11
2.4.2.3 Central Waterfront Plan Part II (2001)	11
2.4.2.4 Zoning By-Law	11
2.5 Socio-Economic Conditions	13
2.5.1 North of the CN Rail Lands	13
2.5.1.1 Demographics	14
2.5.1.2 Business/Employment	14
2.5.2 South of the CN lands- Waterfront/Exhibition Place	14
2.5.2.1 Business/Employment	14
2.5.2.2 Culture/Recreation	15
2.6 Archaeological	15
2.6.1 Approach	16
2.6.2 Summary of Archaeological Conditions	16
2.6.2.1 Physiographic Setting	16
2.6.2.2 Historical Land Use Summary	16
2.6.2.3 Fort York and Garrison Reserve	17
2.6.3 Areas of Archaeological Potential	17
2.7 Built Heritage	17
2.7.1 Approach	18
2.7.2 Existing Conditions Summary	18

2.7.2.1	Historical Land uses	18
2.7.2.2	Existing Heritage Features	20
3.	Alternative Design Concepts.....	23
3.1	Alternative Design Concepts	23
3.2	Evaluation of Alternative Streetcar Routes.....	24
3.2.1	Task #1: Develop Evaluation Criteria, Indicators and Measures.....	25
3.2.2	Task #2: Apply the Evaluation Criteria, Indicators and Measures to Each Alternative Route	31
3.2.3	Task #3: Develop Mitigation/Compensation/ Enhancement Measures	31
3.2.4	Task #4: Apply the Avoidance/Mitigation/ Compensation/Enhancement Measures to the Potential Effects and Identify the Net Effects.....	31
3.2.5	Task #5: Comparative Evaluation of the Alternatives and Identification of the Recommended Streetcar Route	51
3.2.6	Ranking of the Alternative Routes	56
3.2.6.1	Alternative Route #1: Most Preferred (Recommended Route)	56
3.2.6.2	Alternative Route #2: Second Most Preferred.....	58
3.2.6.3	Alternative Route #3A: Third Most Preferred	59
3.2.6.4	Alternative Route #3B: Fourth Most Preferred.....	59
3.2.6.5	Do Nothing Alternative: Least Preferred	60
4.	Public Consultation.....	61
4.1	Overview of the Public Participation Process	61
4.2	Project Commencement Notification	61
4.3	Community Advisory Group: First Meeting July 25, 2007	62
4.3.1	Notification	63
4.3.2	Handout Package	63
4.3.3	Questions/ Comments Received	63
4.4	Community Advisory Group: Second Meeting January 9, 2008.....	66
4.4.1	Questions and Discussion	67
4.5	Technical Advisory Committee	67
4.6	Stakeholder Consultation	68
4.6.1	The Toronto and Region Conservation Authority	69
4.6.2	Meeting with Deputy Mayor Pantalone	69
4.6.3	GO Transit and Canadian National Railway Consultation.....	69
4.6.4	Canadian National Exhibition (CNE) Consultation.....	70
4.6.5	Toronto Grand Prix Consultation	70
4.6.6	Exhibition Place/Ontario Place Consultation	70
4.7	First Nations Consultation	70
4.8	Project Website	71
4.9	Public Information Centre #1	71
4.9.1	Notification	72
4.9.2	Parkdale Location	72
4.9.2.1	Questions and Discussion.....	72
4.9.3	Exhibition Place Location.....	73
4.9.3.1	Questions and Discussion.....	74
4.9.4	Comment Sheets	74

4.10	Public Information Centre #2	75
4.10.1	Notification	75
4.10.2	Exhibition Place Location	75
	4.10.2.1 Questions and Discussion	76
4.10.3	Parkdale Location	76
	4.10.3.1 Questions and Discussion	77
4.10.4	Comment Sheets	77
4.11	Public Information Centre #3	77
4.11.1	Notification	78
4.11.2	Parkdale Location	78
	4.11.2.1 Questions and Discussion	78
4.11.3	Exhibition Place Location	79
	4.11.3.1 Questions and Discussion	79
4.11.4	Comment Sheets	80
5.	Preferred Route: Alternative Route #1	81
5.1	Description of the Preferred Route	81
5.2	Potential Effects, Mitigating Measures and Monitoring Requirements Associated with the Preferred Route	83
5.2.1	Technical	84
	5.2.1.1 Potential Reconstruction of Dufferin Bridge	84
	5.2.1.2 Occurrence of Short-term Construction Related Traffic Effects	84
	5.2.1.3 Occurrence of Long-term Traffic Effects	84
5.2.2	Natural Environment	84
	5.2.2.1 Minor Loss of Terrestrial Vegetation	84
	5.2.2.2 Potential for Contaminated Soil Excavation	85
	5.2.2.3 Surface Water and Groundwater	85
5.2.3	Land Use Environment	86
5.2.4	Socio-Economic	86
	5.2.4.1 Removal of Private Property	86
	5.2.4.2 Occurrence of Short-term Construction Related Nuisance Effects	86
	5.2.4.3 Occurrence of Short-term Construction Related Access Effects	87
	5.2.4.4 Occurrence of Long-term Access Effects	87
5.2.5	Cultural	87
	5.2.5.1 Loss of Potential Archaeological Resources	87
	5.2.5.2 Potential Effects to Built Heritage Resources and Cultural Landscape Units	88
6.	Future Commitments	89
6.1	Monitoring	89
7.	Summary	91
8.	References	93
