

## **Parking Prohibitions - Joel Swirsky Boulevard - North York Spadina**

**(City Council on November 23, 24 and 25, 1999, adopted this Clause, without amendment.)**

The North York Community Council recommends the adoption of the following report (October 22, 1999) from the Director, Transportation Services, District 3:

### Purpose:

To prohibit parking at anytime on the north side of Joel Swirsky Boulevard between Tillingham Keep and Faywood Boulevard.

### Financial Implications and Impact Statement:

All costs associated with the installation of the parking restrictions are included within the 1999 operating budget.

### Recommendations:

It is recommended that Schedule VIII of By-law No. 31001, of the former City of North York, be amended to prohibit parking at anytime on the north side of Joel Swirsky Boulevard, between a point opposite the northerly limit of Tillingham Keep and the westerly limit of Faywood Boulevard.

### Background:

Residents of Joel Swirsky Boulevard have indicated that when vehicles are parked on both sides of the road, west of Faywood Boulevard, two way traffic and the visibility for motorists while exiting driveways is restricted.

Currently, parking is permitted on both sides of Joel Swirsky Boulevard, west of Faywood Boulevard, for maximum periods of up to three hours.

Comments:

An investigation by staff of the Transportation Services Division has verified the residents' concerns that two way traffic and the visibility for residents is restricted when vehicles are parked on both sides of the road. Vehicles are continually parked at this location during the day by patrons of the park, on the south side of Joel Swirsky Boulevard.

Conclusions:

The installation of parking restrictions on the north side of Joel Swirsky Boulevard will improve traffic operations west of Faywood Boulevard.
