

**Operation of Boulevard Café -
Bosco Restaurant -
96 Tecumseth Street (Trinity-Niagara)**

(City Council on December 14, 15 and 16, 1999, adopted this Clause, without amendment.)

The Toronto Community Council recommends the adoption of the following report (November 9, 1999) from the Manager, Right of Way Management, Transportation Services, District 1:

Purpose:

To report on the operation of the boulevard cafe fronting 96 Tecumseth Street during the 1999 cafe season.

Financial Implications and Impact Statement:

There are no financial implications resulting from the adoption of this report.

Recommendation:

It is recommended that City Council approve the continuation of the licence for the boulevard cafe fronting 96 Tecumseth Street, with the same terms and conditions as previously approved, i.e., 11:00 p.m. closing time, 7 days a week, since there were no complaints received from the neighbourhood.

Background:

City Council, at its meeting of October 1 and 2, 1998, approved the application for a boulevard cafe, subject to the applicant complying with the criteria set out in § 313-36 of Municipal Code Chapter 313, Streets and Sidewalks, of the former City of Toronto Municipal Code and requested the Commissioner of Works and Emergency Services to report back at the end of the 1999 cafe season on the operation of the cafe.

Comments:

A licence for the cafe fronting 96 Tecumseth Street was issued on January 7, 1999.

Our records show that during the 1999 cafe season we have not received any complaints from members of the public or Toronto Police Service pertaining to noise or other disturbances at the subject location.

Conclusions:

Given that the cafe operated during the 1999 cafe season without any incidents, we recommend the continuation of the licence.
