**DECLARATIONS OF INTEREST PURSUANT TO
THE MUNICIPAL CONFLICT OF INTEREST ACT.**

COMMUNICATIONS/REPORTS:

1. CITY OF TORONTO NEW SEWER USE BY-LAW.

Commissioner of Works and
Emergency Services
(April 10, 2000)

Recommending that:

- (1) the new Sewer Use By-law be enacted by City Council, providing a two-year phase-in period for industries to meet the proposed new limits in Section 2 and Section 4 of the new By-law;
- (2) all the former six area municipalities' By-laws and the former Metro Toronto By-law No. 153-89 be repealed, with the exception of the limits in Section 2 and Section 3, which will remain in effect for the two-year phase-in period of the new Sewer Use By-law;
- (3) the Commissioner of Works and Emergency Services report back at the end of two-year phase-in period on any modifications to the new limits contained in Section 2 and Section 4 of the new By-law;

- (4) the Commissioner of Works and Emergency Services be authorized to reclassify two of the existing Enforcement Officers to Pollution Prevention Officers;
- (5) all existing Industrial Waste Surcharge Agreements, Sanitary Discharge Agreements and Compliance Programs with Monetary Concessions remain in force under the new By-law, and be amended to accommodate the changes necessitated by the new By-law;
- (6) the Commissioner of Works and Emergency Services be authorized to execute new Industrial Waste Surcharge Agreements, Sanitary Discharge Agreements or Compliance Programs with Monetary Concessions under routine situations, but continue to refer non-routine, complicated cases to Council for approval; and
- (7) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

1(a). City Clerk
(March 9, 2000)

Forwarding, for information and any attention deemed necessary, Clause No. 3 contained in Report No. 4 of The Works Committee, headed "City of Toronto Draft Sewer Use By-law – Status Report", which was adopted, as amended, by City Council on February 29, March 1 and 2, 2000.

1(b). Secretary,
Board of Health
(April 3, 2000)

Advising that the Board of Health, at its meeting on April 3, 2000, had before it a report (March 23, 2000) from the Medical Officer of Health respecting the proposed Sewer Use By-law for Toronto; and that the Board of Health:

- (1) endorses the commitment to reduce the discharge of persistent toxics into the Toronto sewage system and the pollution prevention planning requirements that are contained in the proposed Sewer Use By-law; and
- (2) encourages the Works Committee and the Economic Development and Parks Committee to support the proposed Sewer Use By-law.

- 1(c).** Ms. Christine Iamonaco,
Senior Public Consultation Co-ordinator (Acting)
Works and Emergency Services
(November 2, 1999)

Advising that the Implementation, Compliance and Monitoring Committee (ICMC) for the Ashbridges Bay Treatment Plant Mediation Agreement at its meeting on October 27, 1999, passed the motion that the ICMC support the City's new Sewer Use By-law which is consistent with Resolution No. 2 of the Mediator's report as approved by Council in June 1999, appended thereto.

- 1(d).** Ms. Christine Iamonaco,
Public Consultation Co-ordinator
Technical Services
(April 3, 2000)

Advising that the Ashbridges Bay Treatment Plant Neighbourhood Liaison Committee at its meeting on March 21, 2000, passed the motion that the Committee support the Sewer Use By-law, and, in principle, the staff report coming forward to the Works Committee at the April 19, 2000 meeting.

- 1(e).** Ms. Anne Dubas,
President, Local 79
Canadian Union of Public Employees
(April 7, 2000)

Forwarding suggestions with respect to the proposed Sewer Use By-law in the areas of composting, permitting system, economic incentives, metals, pesticides, environmental emergency plans, and training, to strengthen the draft by-law and help ensure that the City will be able to enforce and protect the quality of water and ensure public health.

- 1(f).** Communications from the following commenting on the proposed Sewer Use By-law:
